SGA — Rampant Leaders

The purpose of the SGA at J.H. Rose High School is to promote student pride in our school as well as to provide services for the students of Rose. The SGA accomplishes this by sponsoring several activities in the school and in the community such as Homecoming festivities, the sale of athletic wear, raising money for the Ronald McDonald House, and social events such as this years Jingle Bell Rock dance. The SGA is also involved in Orientation for the new students and the upcoming sophomores.

A dual purpose of the SGA is to teach its members some of the basic rules of parliamentary procedure.

The SGA is comprised of representatives from each advisory group, class officers, and the SGA officers. The SGA meets approximately once a month. The advisors are Mrs. Billie Lennon and Mrs. Wanda James.

Guides To A Better Future

Renovation of the guidance office is almost complete. The guidance office is the part of the school that is visited most often by students, staff, parents, and visitors, often new to the community. Therefore, it should be a bright, attractive, cheerful area that would make a lasting impression. Thanks to Mrs. Glo Clark, who has headed up the campaign, and many others in the community, the renovation has almost been completed. Now, not only is the complex very attractive, but due to enlarging the area, services have been expanded.

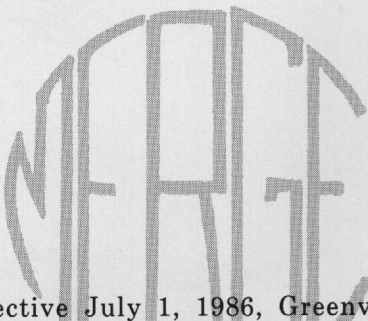

Now called the Student Services Center, the area provides offices for three counselors and a vocational counselor. Also, an extra office is provided that can be used for testing or by the additional support personnel who are not in the building on a regular basis, such as vocational rehabilitation counselor, health nurse, mental health counselor, and the school psychologist. There is also a conference room used for testing, group guidance, parent-teacher conferences, and school meetings. The biggest chance is the addition of a larger career center where students go to gain valuable information in making post-secondary plans. Also in this room is a new television which can be used with the laser video disc player to show laser discs to the students about the colleges available.

The People Behind Successful Goals

TWO SYSTEMS

Effective July 1, 1986, Greenville City Schools became part of the new Pitt County School system under the leadership of Dr. Edwin West, superintendent. The merger did not happen overnight. It literally took years of study. After many months of deliberation and hard work, the newly formed Pitt County system's administrative offices are housed under one roof. It hasn't been easy and there are still many kinks to iron out, but the advantages of merger outweigh its disadvantages. Pitt County is a very progressive area of North Carolina and the merger has formed one of the largest school systems in the state. A study by the Research Triangle Institute indicated that merger would be good for all concerned.

J.H. Rose High School principal, Mr. Pat Austin, stated, "In the long run the merger will be beneficial for students in all of the schools, because there will no longer be competition for available money. This year the merger has gone exceptionally well. If we compare the first year of merger in Pitt County with the first year of merger in other school districts across the state, we are doing extremely well."

In summing up some differences experienced by the students and faculty at Rose Mr. Austin continued, "The most obvious are the policy changes and the procedural changes related to those policies. I don't think any changes have had much effect on the students at this time."

On a positive note Mr. Austin pointed out that "the two systems will no longer be competing for money and that rules for the new system are to be gathered from the former systems, some from Greenville will be used and some from the county schools will be used. In the long run the merger will be beneficial."

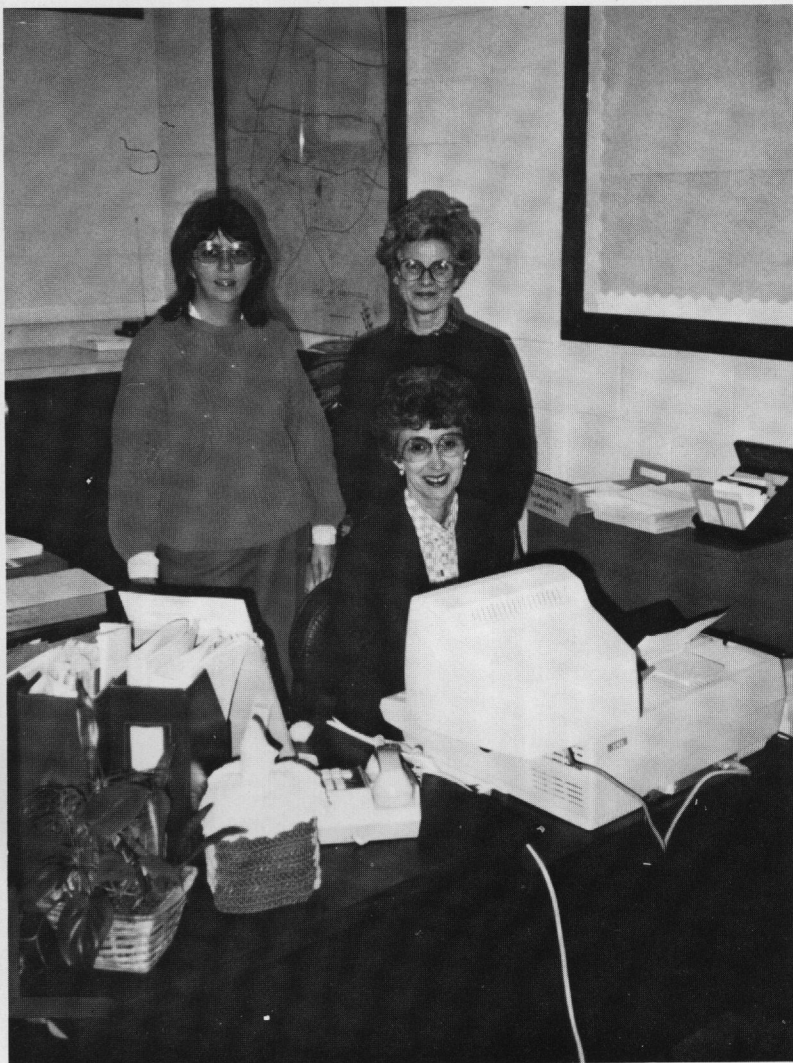

When asked about differences between the school operation this year as compared with last year, several students mentioned the changing of the starting and ending times for the school day. The school hours changed from 8:00 am through 2:35 pm to 8:45 am through 3:15 pm. Wendi Mair, a junior, said, "I liked last year's time better because I had more time in the afternoon to do things."

Junior Kelly Phillips agreed and added, "This year I feel that getting out later leaves me no time to socialize. By the time I get home from school and do my homework, it's time for supper. There is definitely no time to socialize after supper." Lynnette Worthington, junior, liked the school hours last year much better. "This year the school day seems much longer," she stated. Senior Richard Wheatley stated, "Last year I liked getting out of school earlier. This year I like going to school later."

Being a part of merger has caused all of us to be more flexible and willing to work together to build a superior school system. We are making history and can be proud of the manner in which this history is being made.

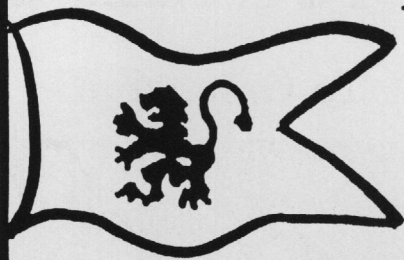

Assistant Principals Dave Bumgarner and Jean Darden look over Principal Pat Austin's shoulder.

Three of Rose High School's most important and indispensable persons are Vivian Nichols, Wanda Corey, and Janet Johnson. 

Seated around the table discussing important issues are the Pitt County School Board of Education members. 

ACADEMICS

ROSE HIGH

"Ambassador Ambert"

EXCELS IN ACADEMICS

Brings A Little Of Spain Back To Greenville"

Rose high school has always had a strong academic reputation. Not just locally, but throughout the state as well. It boasts of a conscientious faculty, a supportive administration, and an enthusiastic student body. Concerning academics, Rose strives to promote intellectual capabilities. Many Rose High students compete for scholarships, they participate in bowl competitions such as Quiz Bowl and Academic Decathlon, and they also have an opportunity to represent Rose and Greenville in foreign countries.

Ann-Marie Ambert was selected to represent Greenville as its Community Ambassador in Spain for six weeks last summer. She was chosen out of a group of fifteen applicants on the basis of her ability to communicate comfortably with new people, as demonstrated in an interview with a nine-member committee. Ambert was one of eight students from around the United States who stayed with host families in the small town of Segovia. The trip began with a 3-day orientation in Vermont. Following orientation, she spent three days sightseeing. From there, Ambert traveled by bus to Miguelanez, a small village in Segovia, where she spent four weeks with her host family. Her parents were Frutos and Amparo Santiago.

Upon leaving Segovia, Ambert presented the mayor with a letter opener and a book about Greenville captioned in Spanish. She then left her host family and spent two weeks touring Spain. Ann-Marie returned to Greenville on August 5. She replied that though it was hard leaving her Spanish family, she was glad to be back home with her real family and friends.

The Community Ambassador Program at Rose High School could never materialize without the dedicated support of Dr. Richard Taft.

Dedication

One would never have dreamed that Rose High school's gymnasium could be converted into an elegant dining facility accomodating over 350 honored guests. On May 8, 1986 the gym did become the setting for the annual Academic Achievement Banquet. The committee responsible for organizing this affair was comprised of dedicated parents and teachers. They were: Jean Creech, Pat Carter, Betty Beacham, Sylvia Briley, Doris Cox, Lynn Marks, and Barbara Stone. The Academic Banquet is held each Spring to recognize those students who have achieved academic excellence throughout the school year. The 1986 banquet commenced with the welcome by Mr. Austin. Following the acknowledgements and dinner, Dr. Charles Coble introduced the guest speaker, Dr. Sam Pennington. Finally, the honorees were recognized by Mr. Austin. Among the students recognized for outstanding academic achievement were: Jenny Lail, Eugene Lao, Bella Kang, David McDonnell, Melissa Monroe, Lara Perry, Gavin Sundwall, Anne Harrison, Stephen Horne, Carolyn Moos, John Murphree, Allison Rogers,

Debbie Seykora, Adonica Smith, Scott Davis, Lewis Anne Thomas, Ann-Marie Ambert, Bill Carol, Gita Gulati, Justen Hix, Bill Koppelman, Lisa Moore, Kimberly Williams, Kim Aichinger, Trey Arthur, Brian Entzminger, Michelle Hunt, Traci Irwin, Ann Lyons, Jamie Moore, Kerri Moreno, Debbie Morrison, Jennifer Newton, Jett Parsley, Valerie Poust, Lisa Quinn, Pauletta Summrell, Angela Ward, Lynn Worley, Robert Barnes, Ellen Cotter, Jennifer Lucht, Julie Mayberry, Ed Norris, Cari Smith, Marisa Teleki, Jessica Bays, Frederick Best, Mary Beth Brinn, John Cameron, Stewart Coulter, Jason Dohm, Mark Dumais, Jim Hester, Stephanie Hewett, Robin Irwin, Wes Jackson, Terri Jarvis, Jennifer Jones, Jennifer King, Becky Kirkland, Kristen Lanier, Jimmy Le, Chris Marks, Penny McGlawhorn, Tiffany Mewborn, Brian Mitchell, Amy Reese, Angela Paige, Duncan Parks, Julie Park, Angela Robins, Shannon Shepherd, Svati Shodhan, Patrick Stanforth, Bill Taft, Martha Taylor, Ann Thornton, David Tinglestad, John Turner, Danny Walsh, Elizabeth Warren, Denita Bowles, Karen

Dixon, Gloria Gutierrez, Earl Hines, Wandria Hines, Audrey Leathers, Richard Murphy, Treiste Newton, Tammy Parker, Drew Rhodes, Stephanie Suarez, Michael Barnhill, Shay Daniels, Mohammad Dar, Laura Hough, Britt Irwin, David Kim, James Lawler, James Marshal, Todd Peele, Tony Perkins, George Selby, Rusty Smith, Jason Sullivan, Paul Sullivan, Brian Wille, Lillian Gordley, Marty Tschetter, Sean Lyles, Evangela Mercer, Kristen Shea, Michael Stone, Betsy Barnhill, Megan Huber, Chris Richards, Julie Song, Melissa Whitfield, Renee Chance, Craig Harrell, Maronica Matthews, Mark Osborne, and Michael Penland. Just as these students were awarded for academic achievement at the Achievement Banquet, on Awards Day outstanding seniors who had exemplified academic excellence throughout the school year were awarded such distinguished awards as the Keech Award, the Lonnie Barnville Award, the Woman's Club Good Citizenship Award, and the Civitan's Good Citizenship Award. Scholarship recipients are also recognized on Awards Day.

Mr. Banks and Mrs. Smith are indispensable.

The 1986-87 marshals pose on the Green Springs Park bridge.

Marshals serve as ushers at graduation.

On April 16, 1986 the 1986-87 Marshals were selected. They were as shown: Adonica Smith, Wandria Hines, Drew Rhodes, Jamie Moore, Ellen Cotter, Gita Gulati, Gloria Gutierrez, Earl Hines, Ann-Marie Ambert, Michelle, Hunt, Elizabeth Warren, Laura Perry, Bella Kang, Becky Kirkland, Kendra Harris, Richard Murphy, Jett Parsley, Lynn Worley, Angela Paige, and Scott Davis. Marshals not pictured are: Treiste Newton, Tammy Parker, Denita Bowles, Karen Dixon, René Leathers, Lisa Pagel, Lewis Anne Thomas, and Stephanie Suarez.

It is considered a great honor to be chosen as a marshal. Each year rising Seniors are awarded this honor based upon their class rank at the end of the first semester. In order to guarantee a representation of both majority and minority races, the top majority students along with the top minority stu-

dents were chosen. With a total of 28, there were more Marshals chosen for the 1986-87 school year than any other year at Rose because of the tight competition between the students. Because there were so many competent students to choose from, those who were chosen considered themselves honored. When asked how she felt when informed she had been selected as a marshal, Jamie Moore replied, "All those years of hard work paid off, and as the adage says, "Believe in yourself and everything is possible." Adonica Smith replied, "My wish of becoming a marshal had finally become a reality. I felt privileged and fortunate to have been selected out of such a competitive group." Under the supervision of Mr. Ellis Banks and Mrs. Renetta Smith, marshals serve as ushers for Awards Day, Baccalaureate, graduation, and the spring musical.

Marshals Lead In Academic Excellence

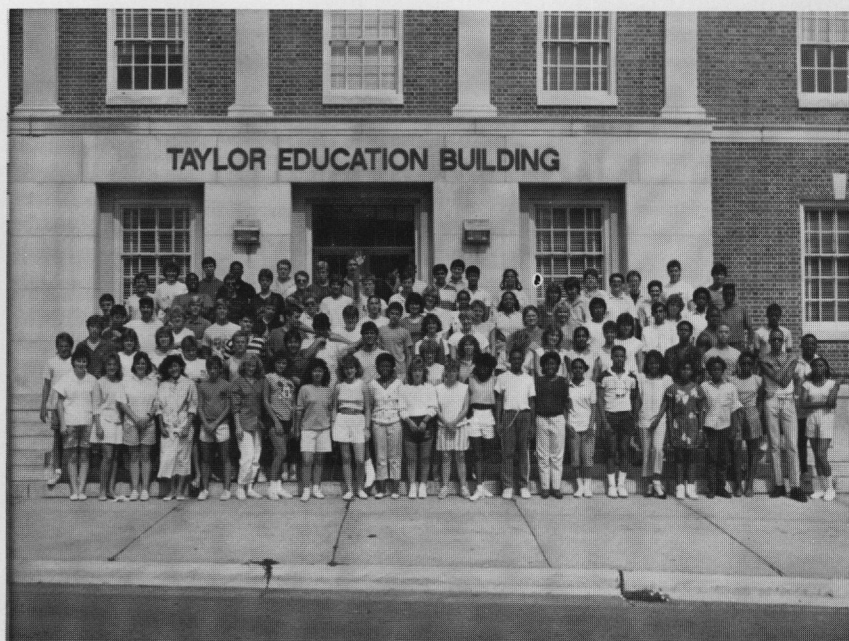

Summer Programs Produce

Summer Ventures

This program, which resembles a cross between college and summer camp, is designed to provide enrichment opportunities in science and mathematics for academically talented students. This program is funded by the North Carolina General Assembly. Students coming from all over North Carolina live on campuses of Appalachian State University, East Carolina University, North Carolina Central University, and UNC-Charlotte. Rose High students who participated in Summer Ventures attended UNC-Charlotte and North Carolina Central University. The students spent five weeks at the colleges. They majored in a certain subject and attended two other classes. The students spent their afternoons enjoying such activities as swimming, basketball, weightlifting, and bowling. The students who participated were: Mohammad Dar, Wandria Hines, Lara Hough, David Kim, Jennifer Jones, Trieste Newton, Kathy Park, Duncan Parks, Svati Shodhan, Julie Song, and Melissa Whitfield.

Student Excellence

Governors School

North Carolina has been a pioneer in the field of educational advancement for many years. An example of such advancement is the Governor's Schools of North Carolina, the oldest statewide summer residential program for gifted and talented rising junior and senior high school students in the nation.

The program is administered by the State Board of Education through the Director of the Division for exceptional children. A Board of Governors is appointed by the State Board of Education to act as an advisory board.

Each year the Governor's Schools program attracts outstanding high school rising juniors and seniors who are recommended by their high school principals, teachers and counselors to the local superintendent. These nominations form a pool from which each local superintendent and the Administrative Placement com-

mittee submit a quota of gifted and talented students based on the total and eleventh grade population. The program offers a non-credit curriculum for students in three areas of work:

Area I is the student's main concentration in an academic or performing arts discipline such as English, mathematics, natural or social science, French, Spanish, instrumental or choral music, art, dance and drama. Area II students are given the opportunity to move beyond their Area I speciality to a better understanding of abstract ideas. In Area III, students learn about their values, morals, thinking processes, and social and personal development through the study of self in society. In Area II and III, the students are heterogeneously mixed to allow for total involvement among the academic and performing arts students.

Students attend productions in the performing arts — choral and instrumental music, drama, and dance. They see films, hear guest lecturers, and view student art exhibits.

Those who participated were: Robert Barnes, Ellen Cotter, Gita Gulati, Ed Norris, Cari Smith, Bella Kang, Kendra Harris, Julie Mayberry, Jamie Moore, Debbie Morrison, Jett Parsley, and Marissa Teleki.

State Government

Boys' State is a governmental environment citizenship awareness program held annually at Wake Forest University in Winston-Salem. Delegates participate in the setting up and running their government on city, state, and judicial levels including the election of the Boys' State Governor and Supreme Court Justices. Boys' State delegates are afforded the opportunity to hear and listen to many known and important political figures in the North Carolina State Government. Drew Rhodes, Senior, comments: "I was very fortunate to be a chosen delegate because it is a wonderful challenge and honor."

Instills Pride

Girls' State is a one week program sponsored by the American Legion Auxiliary in which leadership training is acquired through active participation in a democratic mock-government setting with emphasis on the responsibilities of an American Citizen. Upon arrival at the U.N.C. Greensboro campus, students are assigned to city and political parties and are then responsible for running their government on both the local and state levels. Whether elected to an office or not, everyone has a chance to gain greater insight into the day-to-day governmental functions through participation in a once in a lifetime experience. Highlights of the week include the party conventions culminating in the election of state officials and a formal inaugural banquet followed by a talent show in celebration of the week's accomplishments.

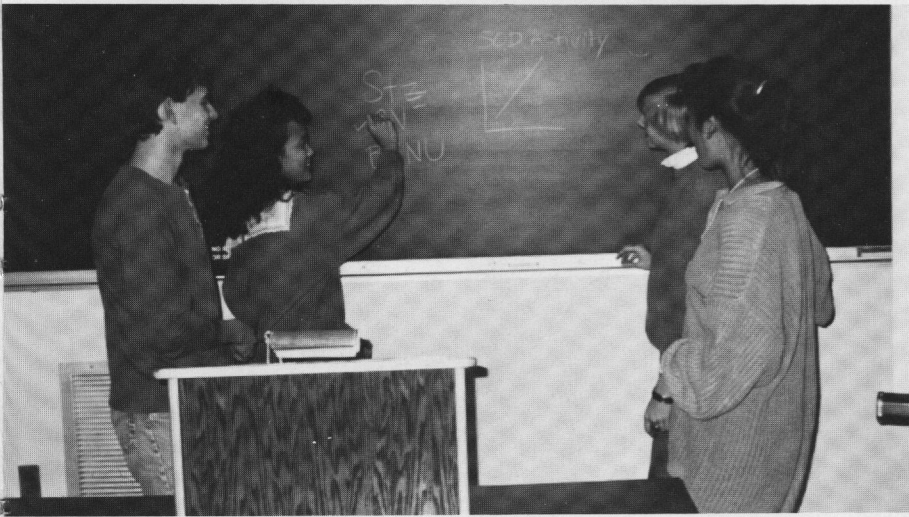

Honor And Service Create Excellence

Rose High School belongs to the Haskett Chapter of the National Honor Society. Members are chosen by a committee of teachers, one of them Mrs. Ella Harris, the advisor. All the candidates have at least a 3.7 average, but the final inductees, who are chosen either in the spring of their junior year or fall of their senior year, will not only have the excellent grades but also a superior record of honors, activities, and community services. Each year, the members are expected to participate in a service project. N.H.S. strives to develop citizenship and develop higher learning. Scholarship, character, leadership, and service are the four basic qualities stressed in the organization. It is quite an honor to be chosen into N.H.S. N.H.S. officers are Bella Kang, president, Jett Parsley, Vice-President, Gita Gulati, Secretary, and Ann-Marie Ambert, Treasurer.

Honors Med allows seniors interested in either science or medicine the chance to work with a mentor in a particular field on a research project that is to be presented at the end of the year. The participants in the Honors Medical Science Program from Rose High School are: Kendra Harris, Bella Kang, Bill Kopleman, and Arleen Song.

Trivial Pursuit . . .

On January 19, 1987 J.H. Rose High School participated in the Pitt County Quiz Bowl. This year's team, consisting of team members Robert Barnes, Bella Kang, Lynn Worley, Stephanie Hewett, and alternates Ellen Cotter, Ed Norris, Suzie Ambert, James Lawler, Todd Taylor, and Matt Jones won second place in the local competition. D.H. Conley won the Pitt County Quiz Bowl, which gives them the right to advance to district competition. The Quiz Bowl, which began in 1980, is a program of academic competition sponsored by public libraries throughout North Carolina. Sheppard Memorial sponsors the local competition in Pitt County, which involves all of the county's high schools. Rose High School has won the local Quiz Bowl five times during the last eight years. The 1980 Rose team won the state Quiz Bowl, and the 1984 Rose team won second place in the state competition. This year's Quiz Bowl advisors were Barbara Mallory, Brenda Lewis, Nancy Wynne, and Sylvia Briley. Mrs. Mallory commented that "the Quiz Bowl team this year competed in a way to make Rose High proud. We missed Lynn Worley's presence, but Ellen Cotter filled in very well. Robbie and Stephanie are good prospects for next year. We'll miss Bella Kang, but Todd Taylor has great potential. I just appreciate the efforts of all of the students. They're fun to work with and impressive by their responses to difficult questions." Meredith Foltz, Sheppard Memorial Library, was the local Quiz Bowl coordinator. Dr. Thomas Durham, Dr. Kathleen Kennedy, and Gary B. Davis served as judges for the competition. Dr. C.E. VanZandt served as moderator, and the staff of Sheppard assisted in various support areas.

For the second year Rose High will be participating in the North Carolina Decathlon competition. The competition will be held on the campus of Thomasville High School on February 23rd, 1987. This unique competition features two A students, two B students, and two C students from each high school who are tested in ten different academic areas. Lara Perry, Lynn Worley, Stephanie Hewett, Eugene Lao, Melissa Monroe and Shay Daniels will represent Rose this year, with alternates Elizabeth Warren, Justen Hix, Bill Carroll, and Jay Carawan also preparing for the contest. The United States Academic Decathlon is designed to "promote and reward academic endeavors." The USDA was initiated in 1968 in Orange County, California by Dr. Robert Peterson, Superintendent of Orange County Schools. By 1982 some 4,000 high schools were participating in the state and national competitions. North Carolina has participated in state competitions for the past two years. Students have been involved in rigorous training sessions. Team advisor Mrs. Billie Lennon has discussed selected topics and coordinated guest lecturers. Rose High is indebted to faculty members Barbara Mallory, Linda Shaw, Leslie Brinson, Nancy Wynne who have helped coach specific subject areas. Dr. Umesh Gulati, Dr. Edward Seykora have also met and assisted team members in preparing for the competition.

Working in a staff situation such as that of *Rampant Lines* has been a fulfilling experience for me. It has been quite a challenge putting together a newspaper with a staff comprised of people with such diverse personalities and opinions. Jazzin' It

The J.H. Rose "Early Bird" Jazz Band meets every day before school. The group has a very busy schedule which includes playing for the student body on many occasions, performing for various civic groups, being a pep band at some basketball games, and performing in the Mall during Super Sunday. Under the direction of Mr. Chuck Allen, the group has also toured in the elementary schools.

The Rose String Orchestra consists of a few but extremely talented students this with members being chosen for Eastern-District and All-State Orchestra. This group has performed at many activities this year and is also under the direction of Mr. Chuck Allen.

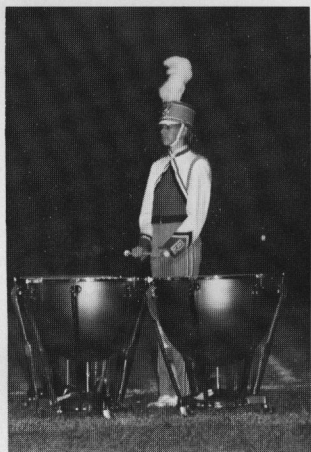

... and the band marches on ...

The 1986-87 Marching Rampants, under the direction of Mr. Chuck Allen, are definitely bigger and better than ever before. The level of music played this year put the J.H. Rose marching band among the best in the state. In the Tournament of Marching Bands held at Greene Central High School on October 25, 1986, the Marching Rampants took overall second place. In this class AAA competition, the hornline took first place while the percussion, flags, and drum majors all took second places. The marching band represented J.H. Rose well in all contests and its performance earned its members many high ranks and honors. Mr. Allen comments on the band's performance: "Considering the foul weather conditions, the band members all gave one hundred and fifty percent effort and came across as the finest musical presentation of the entire contest." In early November, the band travelled to Roanoke Rapids to perform in one of the biggest competitions of the year.

Lights and Sound

J.H. Rose's spring drama production last year was "Annie Get Your Gun". The musical is about Annie Oakley and her success and misfortune as being one of the best "shots" around. The lead characters of the musical were: Robbie Fulford, Rene Adams, Robin Bolande, Cindi Moyer, Pickle Garris, and Julie Mayberry. The production was a great success. Mrs. Betty Topper, drama and chorus teacher at Rose, produced the musical. She commented, "The kids did a fine job of executing the musical. They worked really well together and the results were spectacular. They were as one. The overall mood of the musical was well brought out considering the facilities and equipment that we have to work with here at school. The orchestra was superb. The kids have a lot to be proud of and should be applauded for their efforts."

"UNTITLED 1986"

Groups of students
Colors ablaze
Piles of paper
Fun-filled days
Searching for something
Not too far hidden
Maybe permissive
Maybe forbidden
Tossed into
A myriad of souls
Learning to see
Reaching for goals
A brush becomes
An instrument of peace
To counter-act pressures
That never seem to cease
Ink flows from pens
Becoming an outlet for emotion
We search for ideas
And put our minds in motion
The colors of our lives
Are different no doubt
But they all flow together
Inside and out
Too soon it seems
We all must part
But we all grew together
Because we took art

Fine Art comes in many forms at J.H. Rose High School. Art I is a course in which students study the basic techniques of drawing, sculpture, painting, and pottery. Watercolor, ink, plaster, clay, color pencil, and tempera paint are a few of the types of media that are used. In Art II, students work in areas such as drawing, mixed media, graphics, and painting. Art is explored in 3-D application. Art III is a continuation of Art II. It places emphasis on drawing, painting, commercial art and graphics design.

✿ Although Erika Churchill is diligently completing her drawing, Andrea Rodgers glances suspiciously at the photographer.

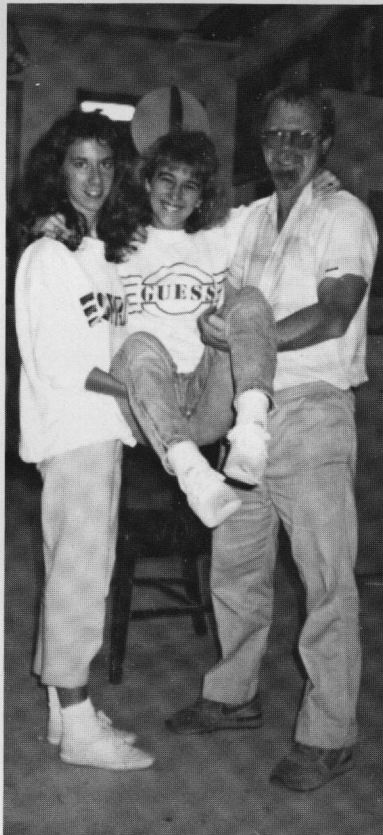

✿ Michelle Avery and Melissa Stanley add bright, vivid colors to enhance their creations.

✿ David Ruiz listens attentively as Mr. Stinson offers him some helpful suggestions.

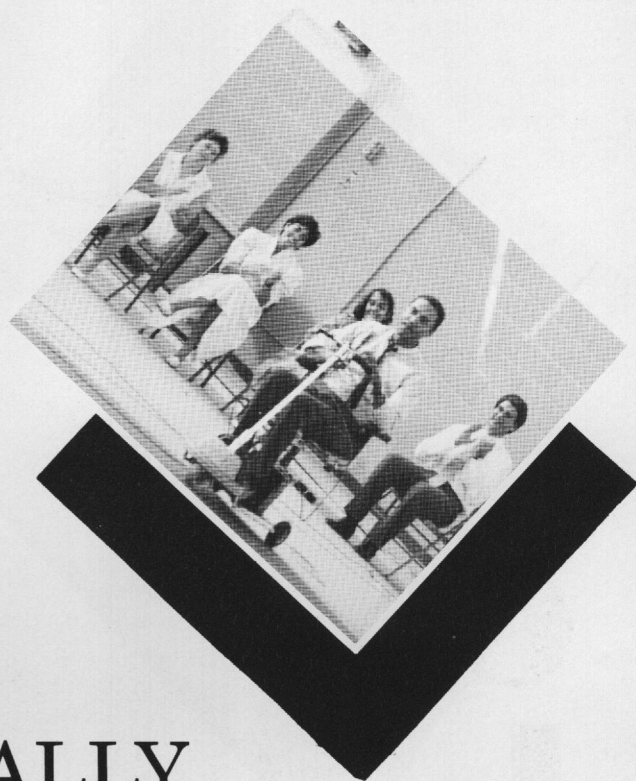

✿ Jessica Bays, Maureen Joyce, and Mr. Stinson show that although art requires serious concentration there is also time for a little recreation.

✿ Is this the same Mr. Stinson with the swelled head who won 1987-88 Teacher of the Year Award?

SOCIALLY CLUBBING

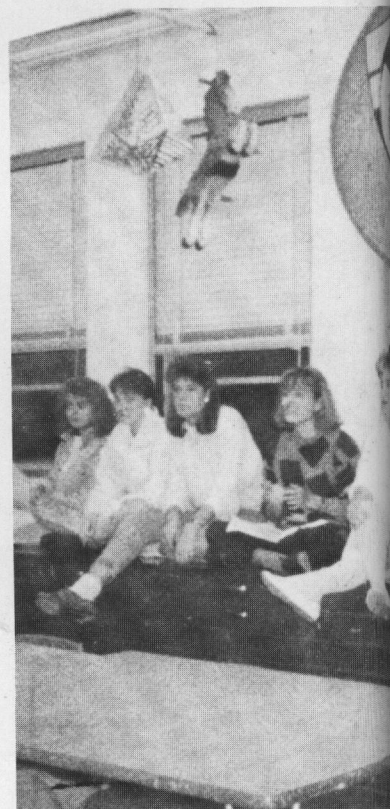

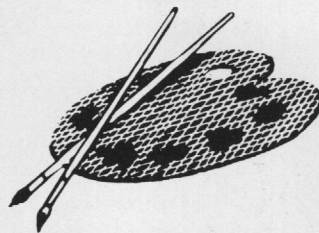

The clubs at Rose High School reflect the many interests of the student body. Hardly any social event goes on without a club sponsoring it. There are over 23 clubs that meet during the year. Students join a club in which they are interested. They get involved in the club's activities and help out during special occasions. Rose offers a wide variety of clubs that reflect many different personalities. A student may wish to learn more about foreign people and customs. Another may wish to do volunteer work and help the needy and less fortunate. Clubs reflect a student's individuality and inside interests. There is something at Rose for everyone with the enthusiasm and the desire of getting involved.

“Artistically Social”

The Art program at Rose High offers students an opportunity to draw, paint, print, and sculpt their feelings about the world around them. The Art Club is active socially and participates in a number of school-related activities. The purpose of the Art Club is to promote a better understanding of art at Rose high through social activities and through service projects. The National Art Honor Society engages itself in more serious projects such as fund raisers and trips to museums. Rose High offers an art program for any student who enjoys drawing and painting regardless of their skill. This year the club held a very successful Doodle Arts Contest and an Art Club dance. Mr. Stinson is the advisor of the club.

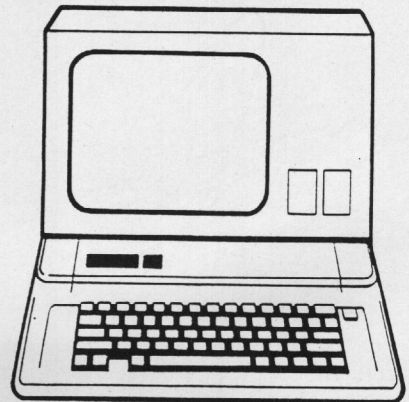

“Dramatically Creative”

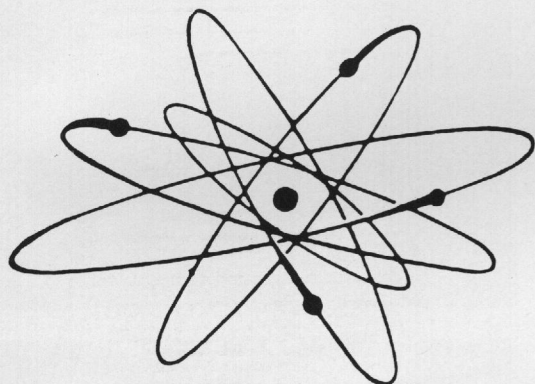

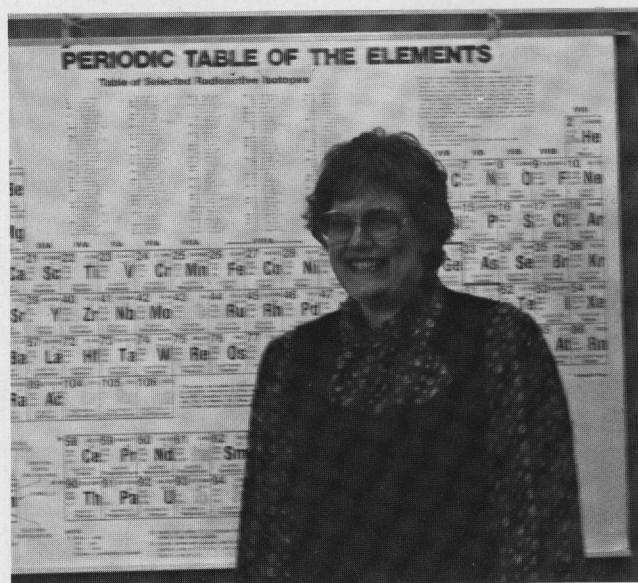

The Drama Club of Rose High strives to promote all dramatic activities. The Drama Club gives students the opportunity to express themselves through numerous plays and musicals. In order to become a member of the Drama Club, the student has to go through an initiation that involves a student dressing up like a character and going to the mall to pretend he/she is that particular character. Club activities include the North Carolina Theatre Conference Contest, a one-act play contest, participating in the Homecoming parade and Spring musicals. Mrs. Topper is the advisor of the Drama Club.

Under the advisors Ms. Christine Gantt and Mrs. Burlington, the Math club strives to increase math awareness and involvement within the school. Rose High's Math Club is also a member of the National Mu Alpha Theta Society. Anyone can be a member of the Math Club, but those wishing to be in Mu Alpha Theta must currently have a "B" average in math. The club also has members in the tutorial program. Plans for the future include guest speakers and bi-monthly preparations for Math contests in the spring. The club meets the first Thursday morning of the month. New members are always welcome. This year's officers include: Bella Kang — President; Jonathan Li — Vice President; Lyn Worley — Secretary; Mary Beth Brinn — Treasurer.

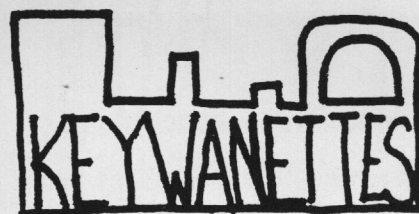

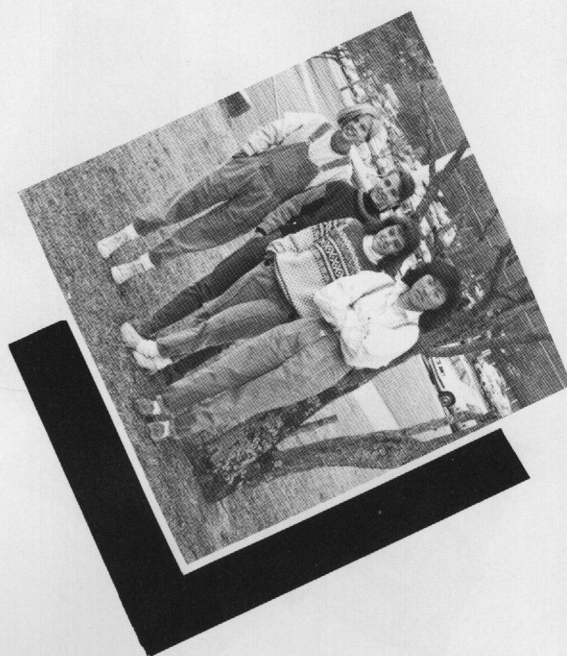

Under the Advisors Leslie Brinson and Nancy Wynne, this club is ideal for students having related careers. At the monthly meetings, guest speakers from ECU or the medical school are usually featured. Affiliated with the N.C. Student Academy of Science, this club, in early spring, strongly encourages students and prepares them for competition in Science Fairs. Students will become knowledgeable on the correct procedures in analyzing and presenting research data. The Science Club officers are: Bella Kang, President; Jonathan Li, Vice President; Ann Thorton, Secretary; Won Kim, Treasurer; and Mike Moore, Sergeant-At-Arms.

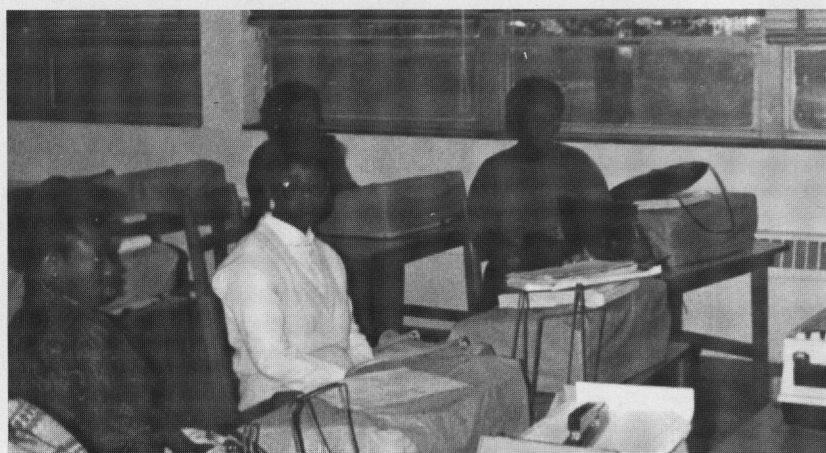

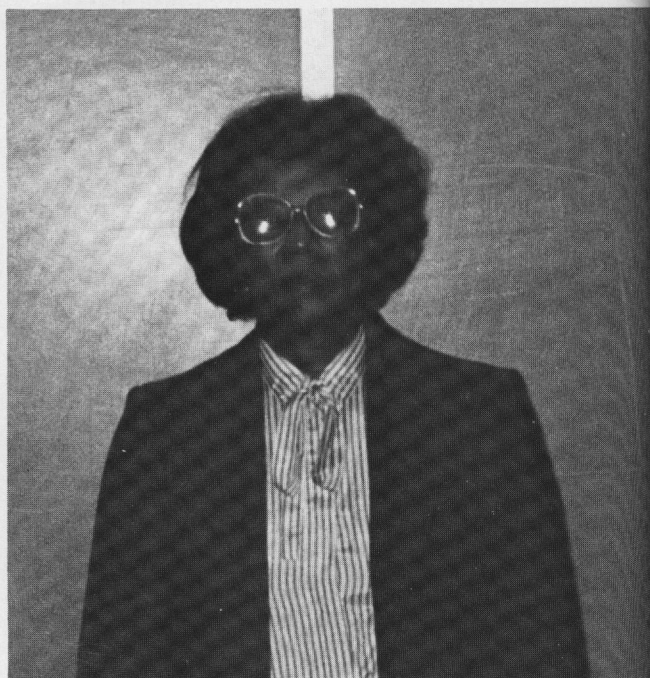

KEY TO SUCCESS!

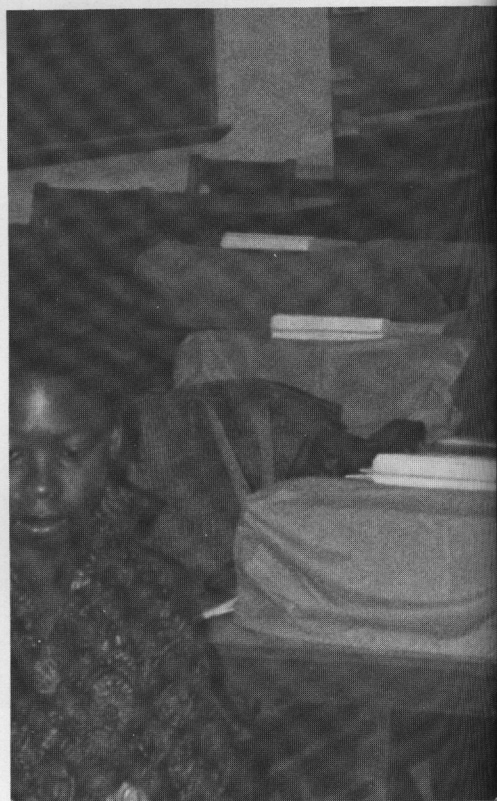

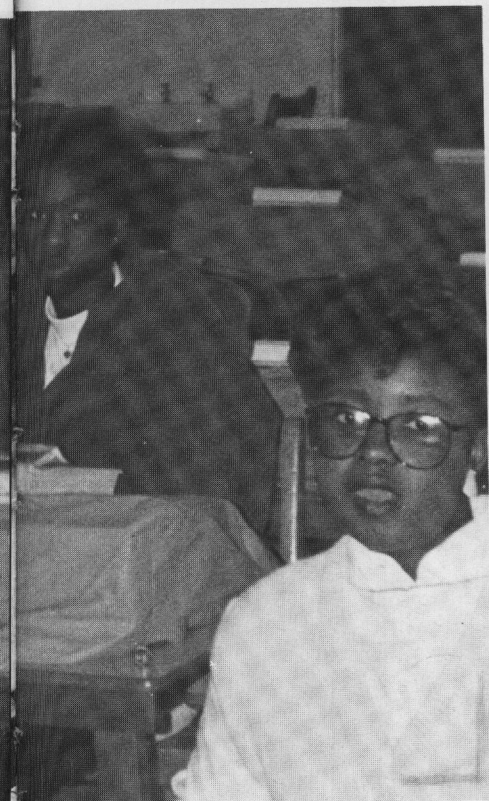

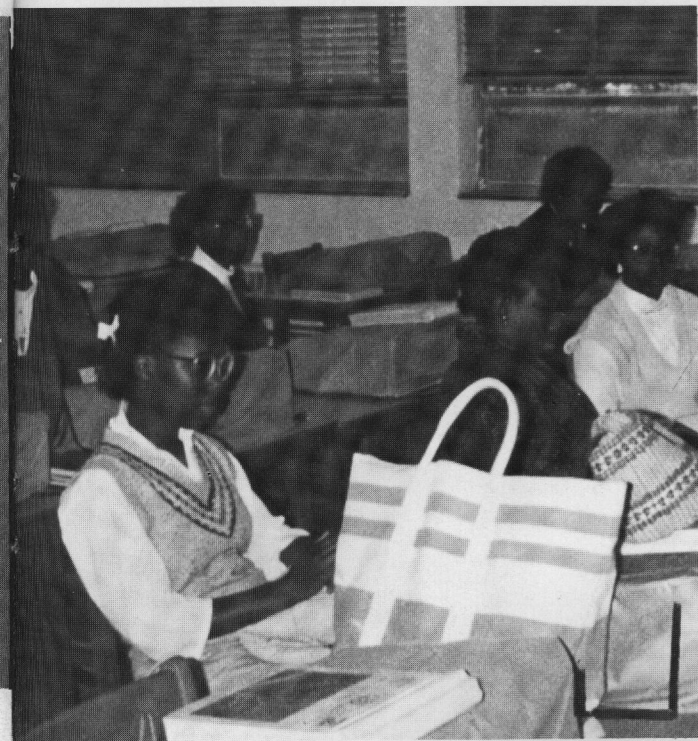

The Keywanettes is a major club at Rose High School that strives to help the surrounding community and the school itself. The Keywanettes club members want to promote more school spirit to the student body, and to the faculty. Membership is open to any Sophomore, Junior, or Senior girl. Keywanette activities include involvement with Homecoming, the giving of toys to unfortunate children during the Christmas holidays, and a variety of dances. Mrs. Carawan and Mrs. Hilgoe are the advisors to the Keywanettes and hope the club will continue to be a success. The officers of the club are Elizabeth Warren, President; Arleen Song, Vice President; Carol Johnson, Secretary; Ann Lyons, Treasurer; Kathy Park, Historian.

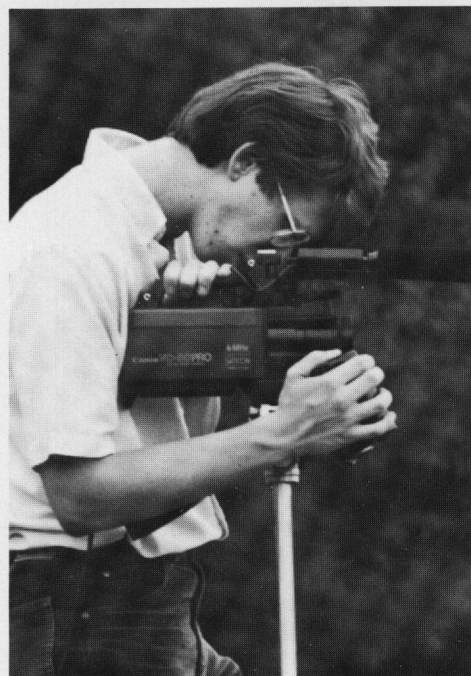

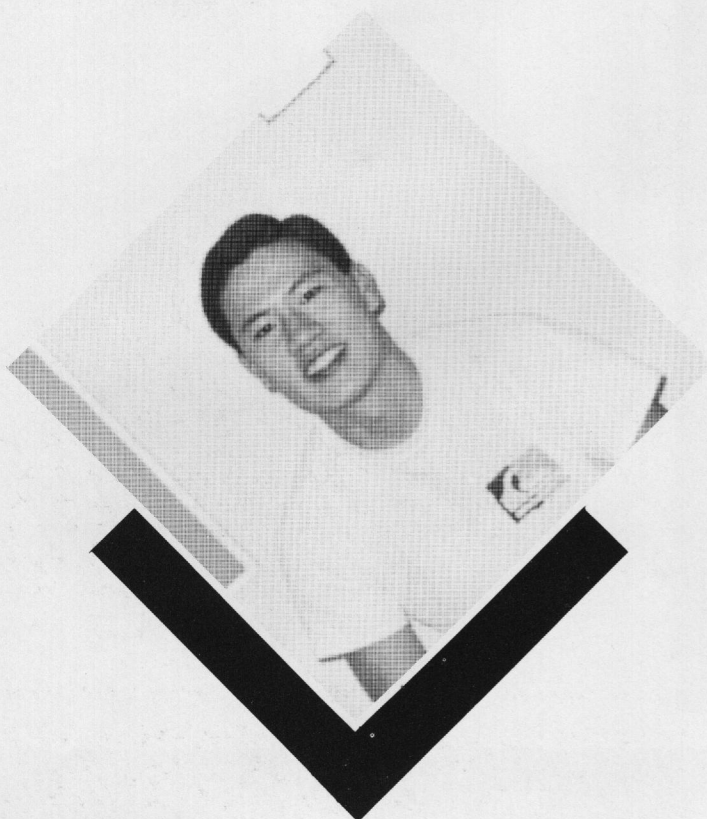

FBLA (Future Business Leaders of America) aims to develop business leadership, strengthen the confidence of students in themselves and their work. The club also aims to assist students in the establishment of occupational goals. The members of FBLA want to promote sound financial management and develop character and self-confidence in the students of Rose High so that they can be successes in the business world.

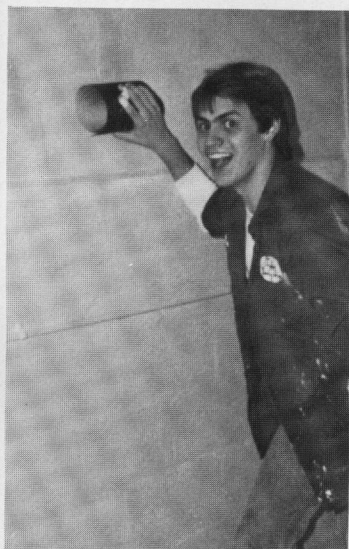

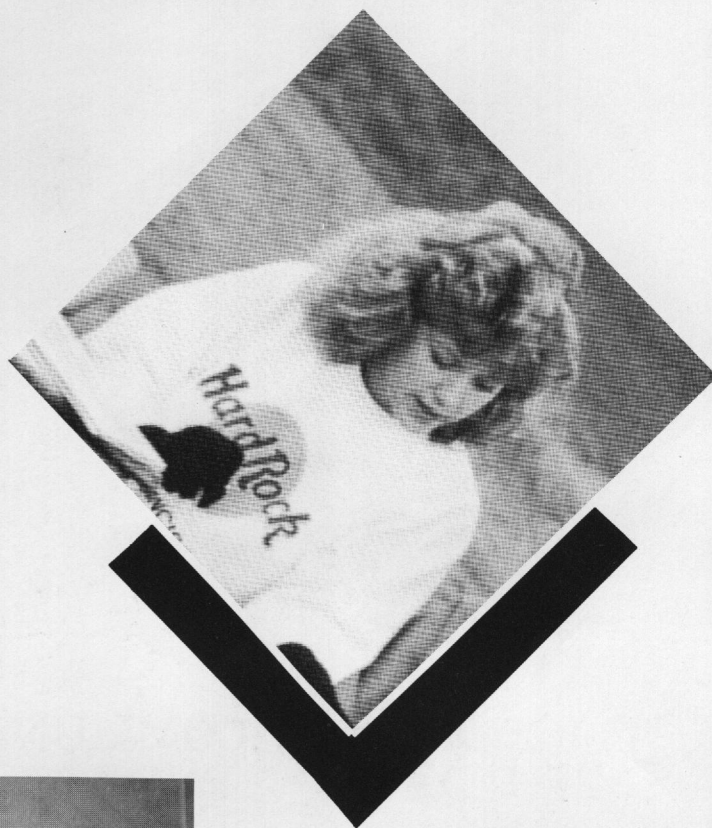

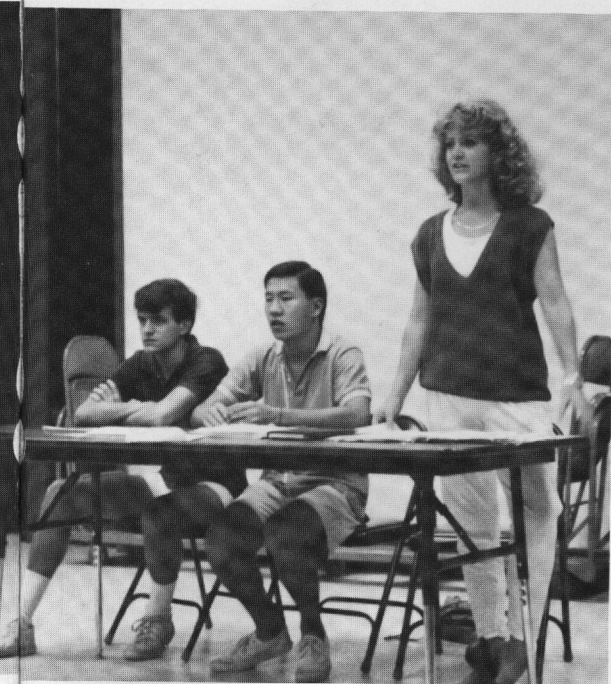

DECA (Distributive Education Clubs of America) is to help marketing teachers create learning opportunities for more than 250,000 students through Chapter activities. DECA related activities have a tremendous effect on the attitudes of members because these activities help develop the qualities of responsible citizens in a free enterprise system. Members of DECA participate in various marketing skills contests on the district and state levels.

The Greenville Pitt County Youth Council was created in March of 1986 by a group of students at Rose High School. This council was started as a service organization to help the community. The council involves students in local legislation and governmental practices on the theory that once they become adults, they will continue to be responsible and active citizens. The Youth Council also serves to promote leadership skills, but its main goal is to be "the voice of the youth." The Youth Council has held a number of community service projects. Some were the Lantern Float for Peace, a bike-a-thon for St. Jude's Children's Hospital, helping the Jaycees at the Fourth of July celebrations, and also with their Haunted House. The members of the council painted the Elm Street Center and a house for abused wives and their children. The Youth Council has also held a number of "fun" activities such as the First Annual Greater Greenville Tennis Tournament and dances for the youth between the grades of seven and twelve. The GPCYC also became chartered into the State Youth Council and has attended many of their conventions and events. The GPCYC has played an important role in the establishment of Greenville's teen center.

COMMUNITY ENDEAVORS

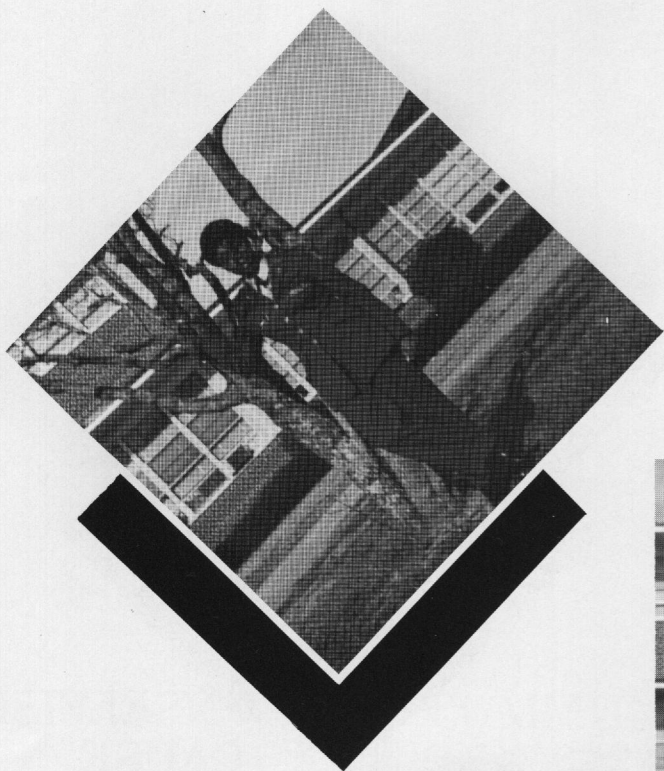

The Anchor Club strives to better the school and community through service projects and fund raisers. Members for the club are chosen each year depending on the number of applications received. The members are chosen on the basis of academics, leadership abilities and involvement in the school and the community. The Anchor Club "new" members go through initiations each year. This year's induction involved a candlelight ceremony at the First Christian church. Club activities during the school year involve preparing Homecoming treats for teachers and involvement in Homecoming activities. Plans also include annual visits to the local nursing homes, the ringing of the Salvation Army bell, and selection of Secret Shipmates. Members also plan the "Spring Fling" dance and the Lights of Love Project. Anchor Club members also volunteer their services in helping with the Ronald McDonald House.

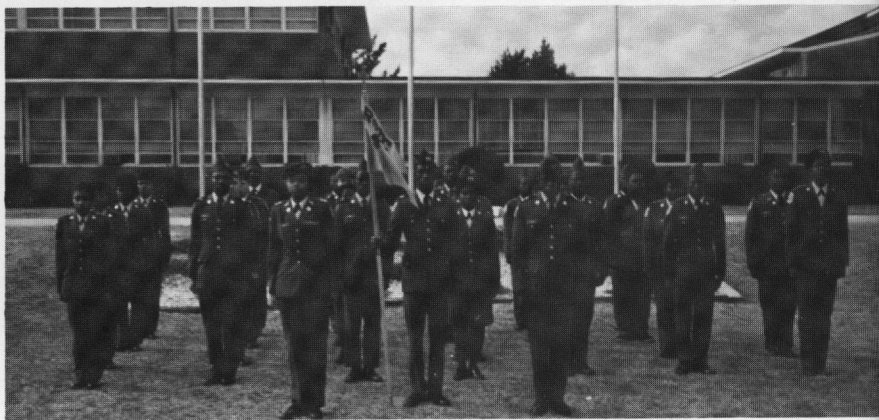

AN UNSELFISH CAUSE

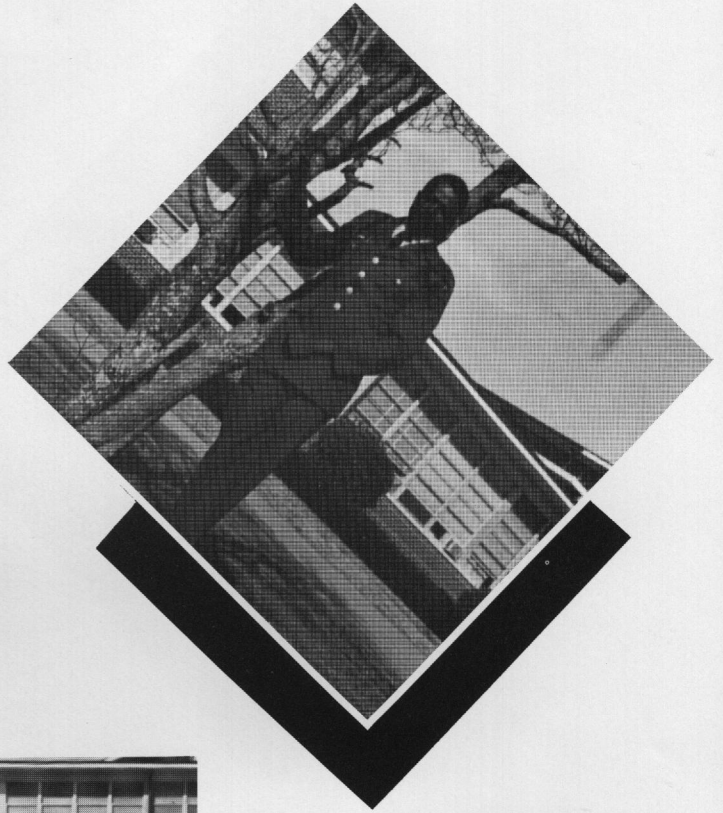

The Junioresettes is a civic club that raises money for community causes and charities. Requirements for membership are simply that the member attend the scheduled meetings and pay the dues. The Junioresettes sponsor needy families during Thanksgiving and the Christmas season. Members also involve themselves with activities during the Special Olympics. This is a very rewarding experience for club members and gives the club a strong sense of accomplishment. Many community organizations benefit from Junioresette contributions such as the local nursing homes and organizations that deal with the homeless and the needy of our community. Activities also include dances and volunteering at the Christmas Seals both at the mall. President Sonya Daniels plans for the club to be very successful this year and to have an exciting and rewarding year.

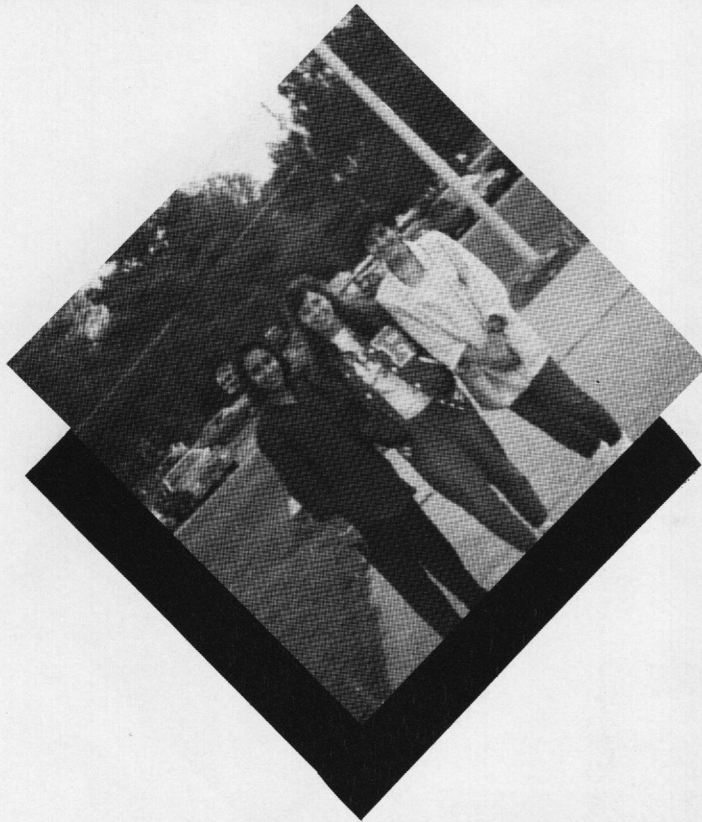

Be All That You Can Be

JROTC is a three year elective course. Students receive one year elective credit for each successfully completed year of JROTC. The objective of the JROTC program is to develop in each cadet good citizenship, self-reliance, leadership, responsiveness to constituted authority. A knowledge of basic military skills, and an appreciation of the importance of physical fitness are stressed. JROTC also offers extra curricular activities in drill team, rifle marksmanship, color guard, and ranger training. Taking JROTC in no way obligates the student who enlists in a military service or enroll in senior ROTC to receive credit for JROTC. Instructors of the JROTC department are Colonel (RET) James R. Poole and Master Sergeant (RET) Harry F. Sydney, Jr.

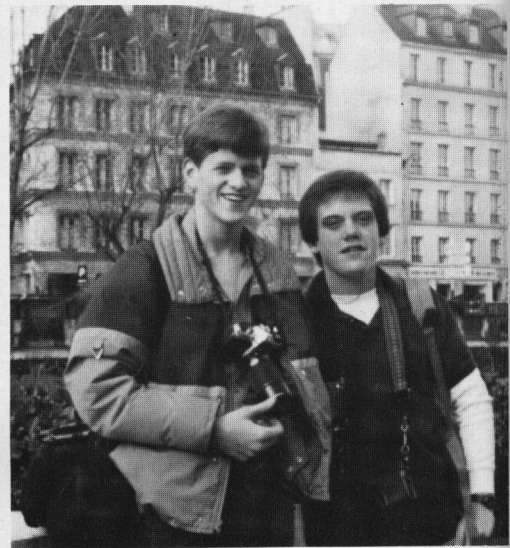

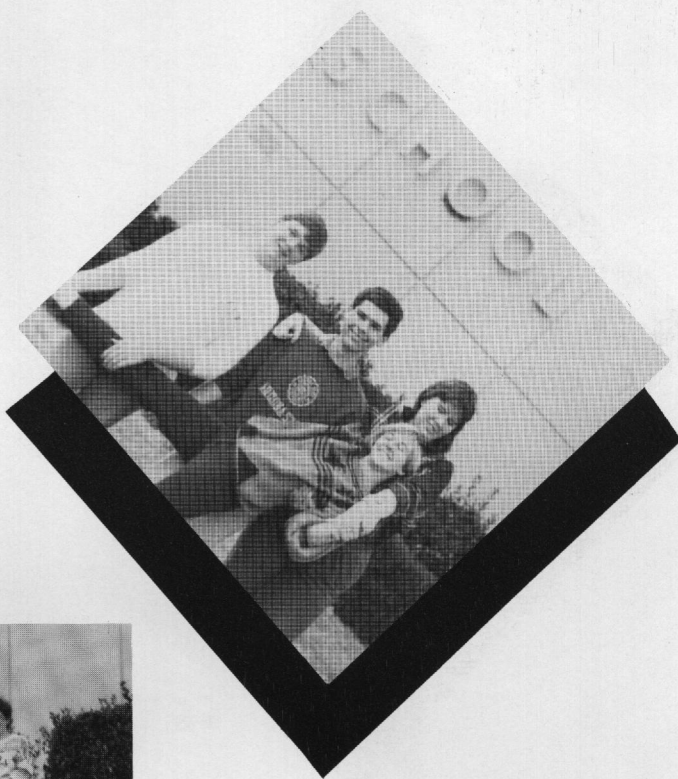

Culturally Involved

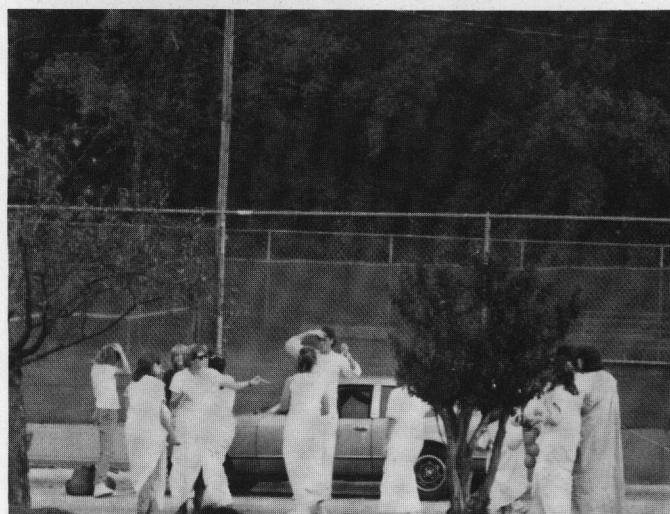

Discovering characteristics of different cultures is always exciting. That is the purpose of the International Club, to promote cultural awareness among students. To help accomplish this goal, the club invites guest speakers such as the Community Ambassador, senior Ann-Marie Ambert, and the various exchange students. Its club members write pen pals, send international valentines, sell buttons for a fund-raiser, and have a homecoming giveaway with international cookies. Some plans for the year involve viewing travel films at East Carolina University, attending Madrigal dinners, participating in Oktoberfest and traveling to Busch Gardens amusement park. Plans also include a participation in an end-of-the-year picnic in cooperation with the French and Spanish clubs. Members of the club learn about the culture, habits, and the lifestyles of the nations. Mrs. Briley, a native of Paris, France, advises the International Club. She comments, "I feel that when learning about other people and their cultures, no matter how different they are, we can better understand ourselves and our society." Officers of the clubs are: Lara Perry, President, Gita Gulati, Vice President, and Anne-Marie Ambert Secretary/Treasurer.

Gaudium In Ludu

The Latin Club of Rose High School was started in order to further man's understanding of the classics. This is achieved by activities which help to stress the role of the classics in everyday life. “Solutions To A Prevalent Dilemma”

The J.H. Rose Chapter of SADD (Students Against Driving Drunk) was started in the spring of 1986. Meeting once monthly, the organization strives to create a good awareness of the problems which arise when alcohol is mixed with driving. In the fall of 1986, SADD sponsored a visit by Steve Streeter, a UNC graduate who was paralyzed in a tragic accident at Raleigh-Durham Airport. SADD also sponsored the movie “Amber Lights”, an upbeat presentation about moderation in all areas of life. A designated driver plan is also planned. The officers are Gita Gulati, President; Ann-Marie Ambert, Vice President; Lara Perry, Secretary-Treasurer; and Eugene Lao, Sergeant-at-Arms. The club is advised by Mrs. Sandra Heath.

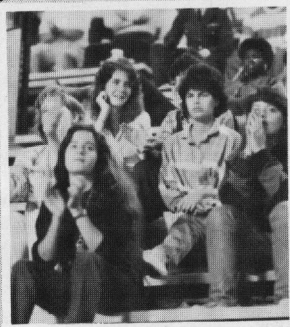

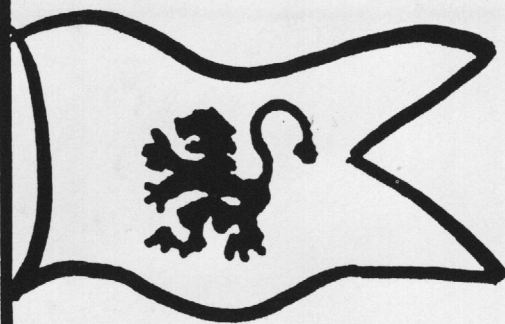

“Fellowship Of Christian Athletes”

The Fellowship of Christian Athletes strives to learn more about the Bible and to promote good morals at Rose High School. Members help needy families at Thanksgiving by collecting food, clothes, and other necessary items. Visits are paid to the nursing homes to carry gifts, sing, and bring warm greetings. Club members also do volunteer work throughout the Greenville community. Meetings are held weekly at the Methodist Student Center near East Carolina University. Officers are Jeny Martin, President; Valerie Poust, Vice President; Patricia Earnhardt, Secretary; Kim Williams, Treasurer; and Jason Dohm, Sergeant-at-Arms.

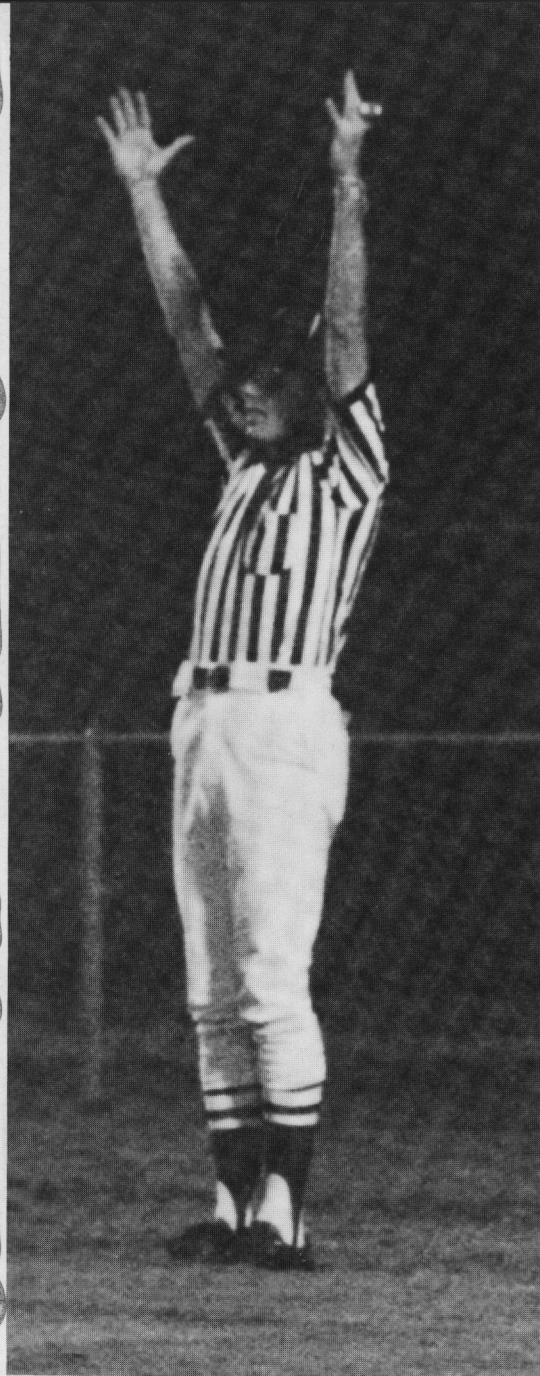

SPORTS

Athletics at Rose High School are an integral part of daily student life. More than half the student body is involved on a sports team. Rose captured the Wachovia Cup (above) in 1986 for having the top athletic program in the Big East conference. The Fighting Rampants look like a safe bet to repeat after capturing conference championships in 4 of 6 varsity sports during the fall of 1986. Rose High sports are community events, and the Rampants are often represented by a loyal following of fans when they go on the road. Rose prides itself on repaying that support to the community, through youth clinics (top) and the annual homecoming parade.

RAMPANTS SUFFER GRIDIRON WOES

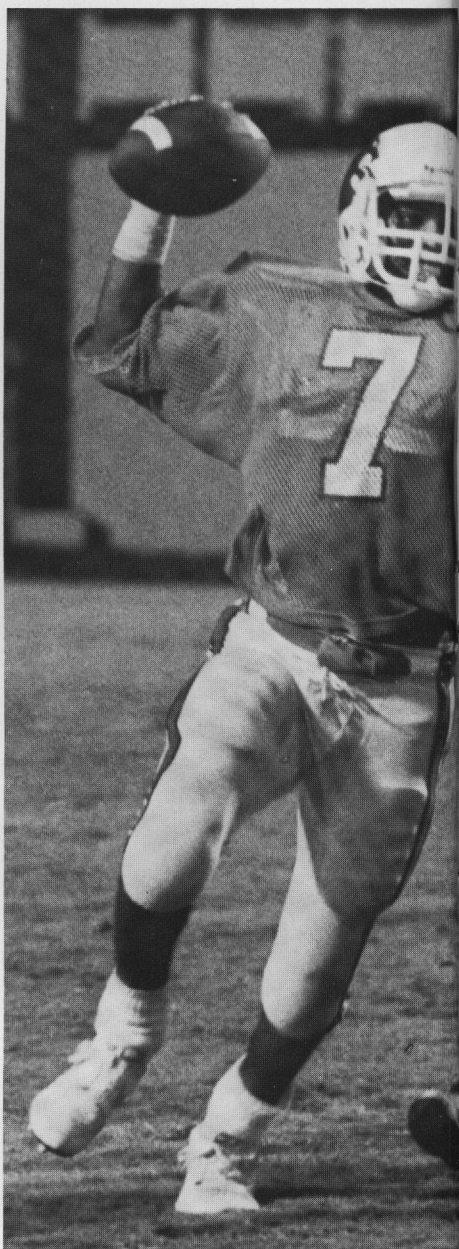

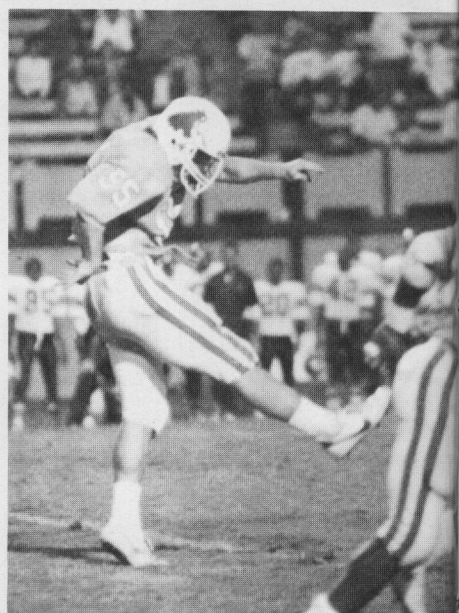

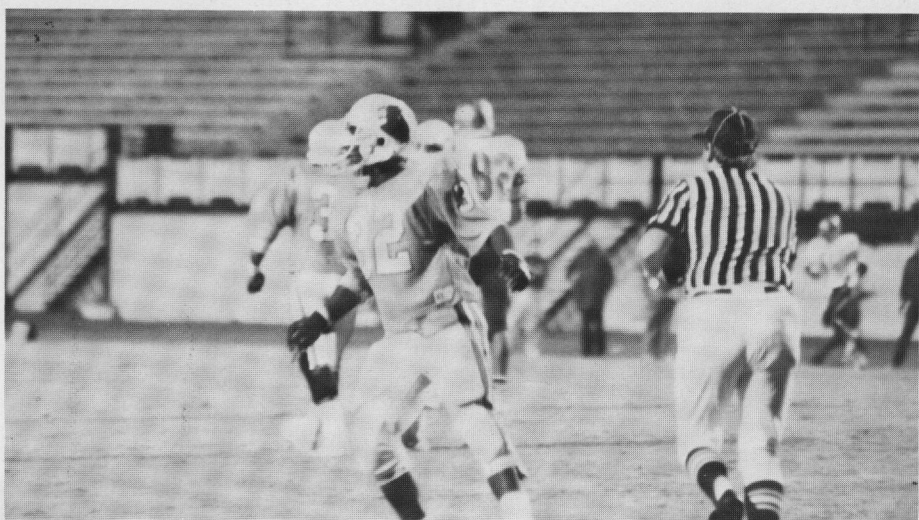

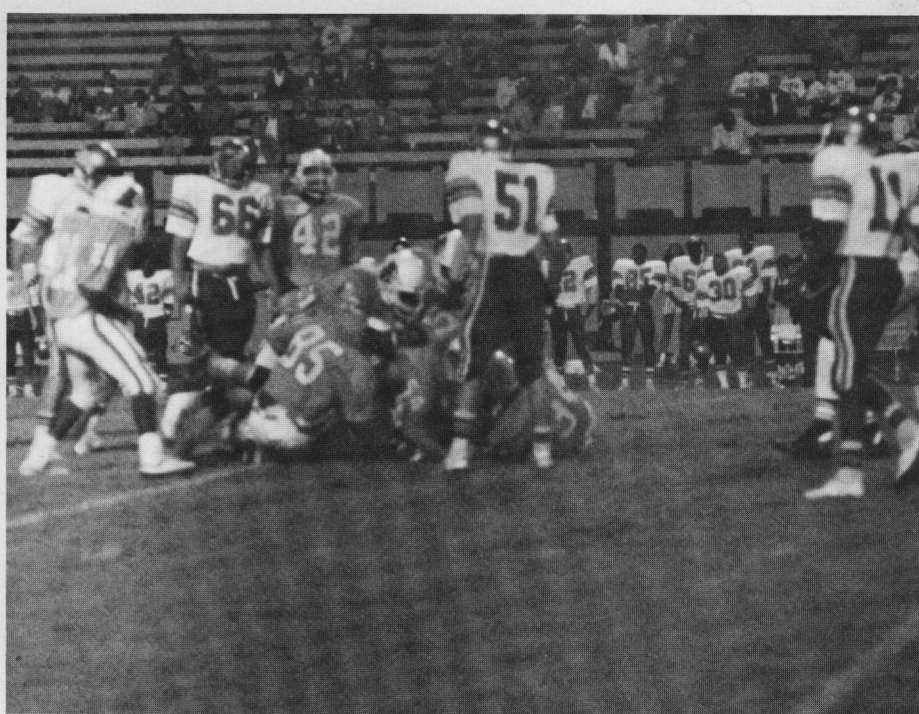

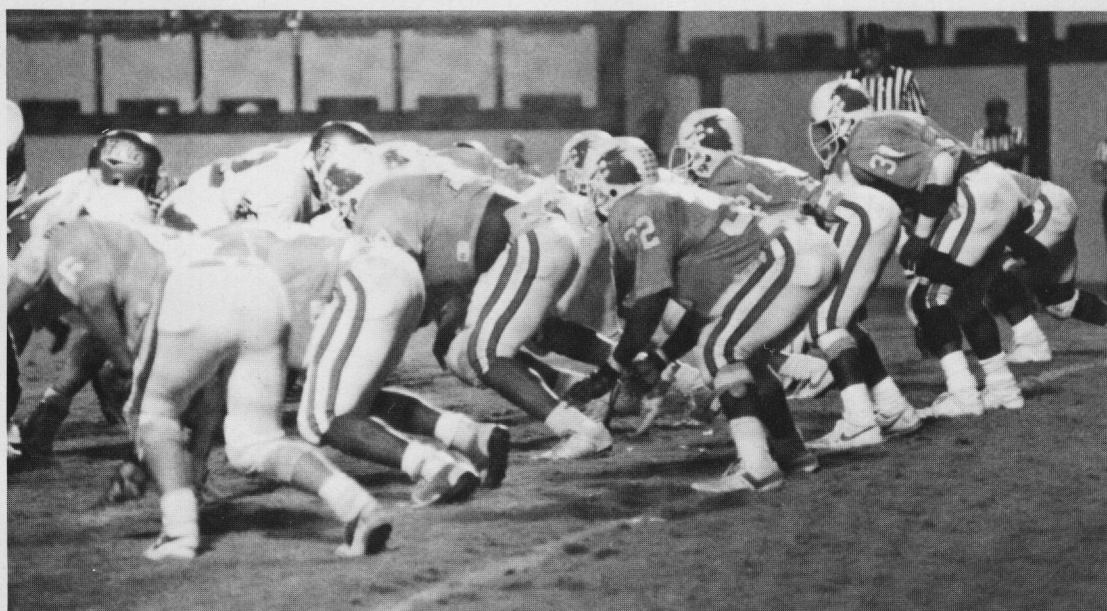

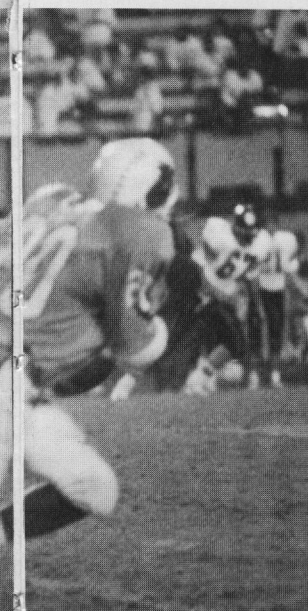

The 1986 Rampant football season was an extremely disappointing one for fans, coaches, and players alike. After being picked to win the Big East conference by every coach except Rose's Chip Williams (who tabbed eventual champion Northern Nash), the Rampants opened the season on a high note, as they marked up an impressive 23-22 win over 7th-ranked Jacksonville. Timmy Moore played the hero's role after recovering a blocked Jacksonville punt for the winning touchdown and then recovered a Jacksonville fumble to hold off a late drive deep into Rose territory in the waning moments. Successive victories over New Bern and Eastern Wayne raised the Rampants' mark to a perfect 3-0 and boosted them into the Number 3 position in the statewide high school football rankings. But Northern Nash planned a surprise for the Rampants in the conference opener. Constantly stacking 10 men on the line of scrimmage, the Knights stymied the powerful Rose rushing attack and handed the Rampants a stunning 34-21 setback. Rocky Mount employed similar tactics to a similar end as an inspired Rose defensive effort wasn't enough to avert a second consecutive loss, this one by a 10-7 count. The Rampant offense got back on track in 44-0 and 44-6 drubbings of Beddingfield and Kinston, and Rose fans nourished faint playoff hopes. These dreams came to an abrupt end in a homecoming loss to Wilson Fike. Another loss followed for the despondent Rampants, this one to conference runner-up Wilson Hunt, but the Rampants bounced back with a 17-0 victory over Northeastern to close out the year with a 6-4 mark. Conference champ Nash advanced to the Eastern State finals, and the Rampants were left at home to ponder things that might have been. The Rampants lose several key seniors to graduation, not the least of which is standout tailback Anthony Cobb. But Rose returns a talented core of experienced lettermen, and a bet against them in 1987 would not be a wise one.

Cubs Sweep Season

The Rampant Cubs had an exceptional season this year under the direction of Coach Ronald Vincent. The team completed the season undefeated; the competition was challenging. Tony Williams was named Most Valuable Player, but was unable to complete the season due to injuries. Coach Vincent was pleased with the progress the team showed throughout the season, and commented, "The team improved with each week of the season." After such a victorious season the team deserved the esteem and respect of its fellow students and other fans. Through this sensational season these players have taught all of us the meaning of "RAM-PANT PRIDE!"

Rampant Soccer Another Banner Season

The Rampant soccer team climbed to a new plateau of excellence in 1986, capturing their third consecutive Big East title by virtue of remaining unbeaten in conference play. The booters advanced into state playoffs for the fourth straight year and won their first play-off game in a thrilling 2-1 triple overtime victory over New Bern. The season started off on a frustrating note with three losses and one tie against a murderous non-conference schedule. However, experience gained from this adversity would benefit the Rampants throughout the remainder of the season. As the Rampants entered conference play with a 0-3-1 mark, the other members of the Big East conference smelled an opportunity to halt the Rose string of conference titles. The Rampants responded to this challenge by destroying their first four conference opponents by a combined score of 21-0. This became a trademark as the superb Rampant defense, anchored by the play of junior goal keeper Brian Willie who recorded a record eleven shutouts on the year. The defense allowed more than one goal on a single occasion — a 2-2 tie with Northern Nash. With other conference members waiting for the Rampants to falter, Rose captured their final 6 conference matches by a combined score of 17-0.

Members of the Rose High soccer team are: (first row) Loyd May, Misha Zonn, Brad Myers, Stephen Higdon, Brian Wille, Bill Taft, Ken Pearson, Greg Jones, Michael Thompson. (second row) George Zardini, Scott Wester, Luis Maestre, Patrick Joyner, John Person, Bobby Weisenberger, Dallas McPherson, Richard Lewis, Bobby Hardy. (third row) Assistant coach Brad Wilson, Mike Kasperek, Greg Jones, Ed Norris, Mitch Thompson, Bobby Sullivan, Burt Aycock, Scott Davis, David Lee, Josh Hickman, Chris Coble, Tom Harwell, David Allen and Coach Will Wiberg.

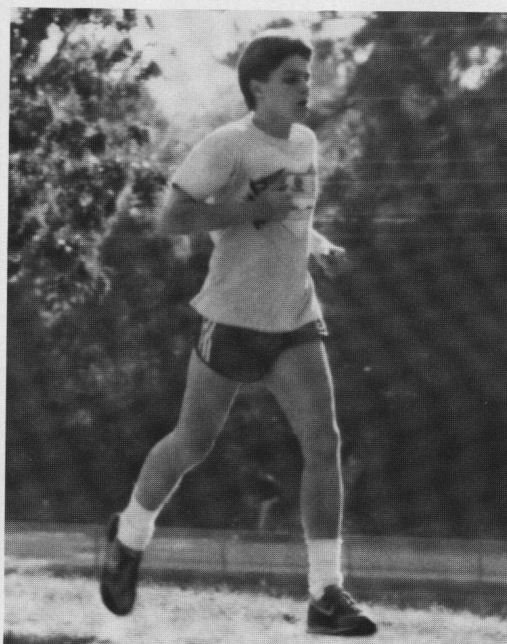

The Big East champion Rampants entered the state playoffs with a first round match with New Bern. An early season game the Bears had resulted in a 1-1 tie, and this game was just as close. Rose struck first with a goal a mere thirty seconds into the match. After New Bern retaliated, the score remained 1-1 at the end of regulation time. The teams battle through two scoreless overtimes and Rose eventually prevailed on a dramatic series of penalty kicks. the season ended for the Rampants on a sour note as Rose fell 3-0 to New Hanover in the second round of the playoffs. Despite this, Coach Will Wiberg has a talented core of 21 returning lettermen to work with as Rose looks forward to continuing their domination of the Big East with a fourth conference crown in 1987.

RAMPANTS RACE TO FAST FINISH

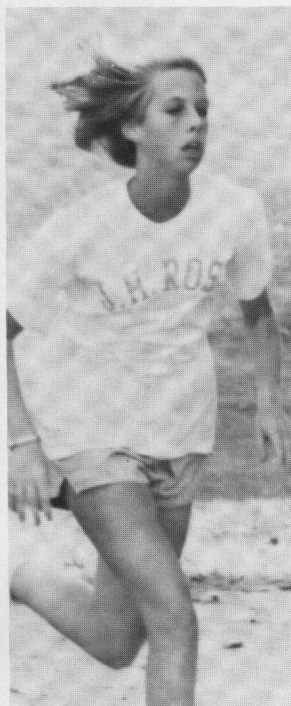

The 1986 Boy's Cross Country team had a lot more members than it did in the past. They had a very good season with 7 wins and 3 losses, bettering last year's record of 5 wins and 6 losses. The boys placed fourth in the conference and are hoping for an even better season next year.

The girls' team had one of their best seasons ever with a record of 9 wins and 1 loss. The girls won the conference championship and are going to race in the state finals. The team can look forward to another great season next year, since many of the runners are returning.

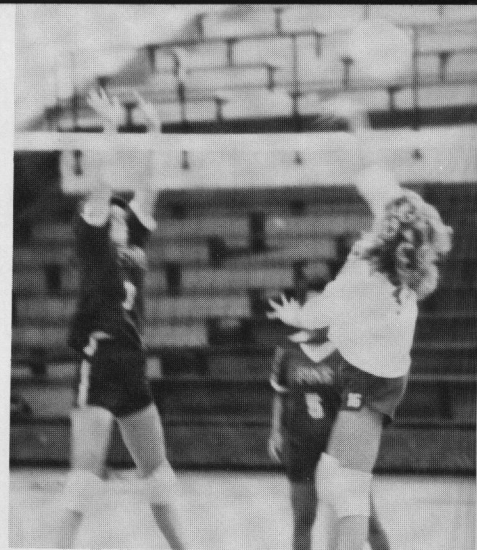

The cross country team members are: (Kneeling) Steven Horne, Robbie Barnes, James Bloyd, Eric Manning, Scott Thomas, Mark Cagle, Richard Wheatley. (standing) Chris Richards, John Hunter, Jim Jackson, William Smith, Patrick Stanford, John Rose, Coach Wahl, Todd Garris, David Russ, Alex Ferguson, Craig Kirkland

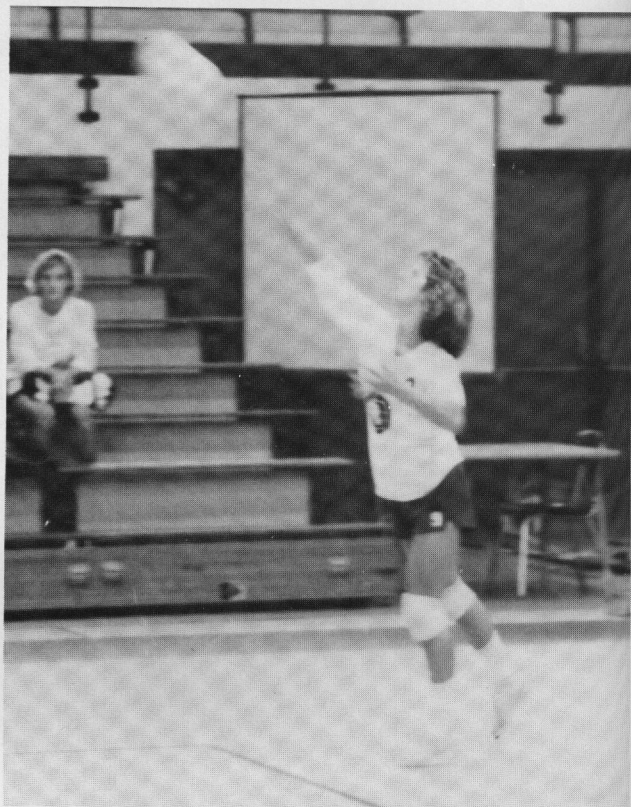

Members of the girls' cross country team are: Jennifer Ramsdell, Lee Nesbit, Julie Garrison, Angela Raper, Elizabeth Warren, Becky Kirkland, Shannon Howard, Angie Stott, Susan Hu.

Spikers Take Tourney Title

The Rampant Volleyball team had a banner year in 1986, bringing the Big East championship home to Rose. After finishing second in the conference during the regular season, the Rampants were primed for a tournament upset. Rose defeated Northeastern in the first round of the conference tournament held at Atlantic Christian College in Wilson. They advanced to the finals where they upset Northern Nash in a thriller to capture the Big East crown. Rose advanced into the state playoffs where they nipped Goldsboro in their opener before falling to Wilmington-Hoggard in the second round. They are coached by Ed Meyerhoffer.

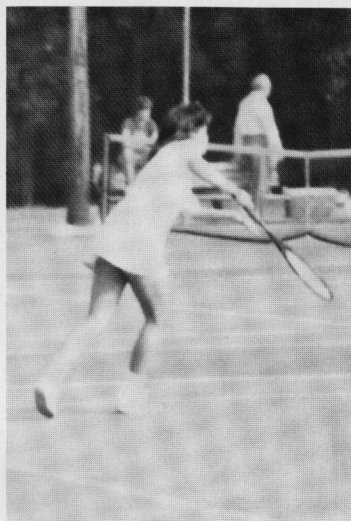

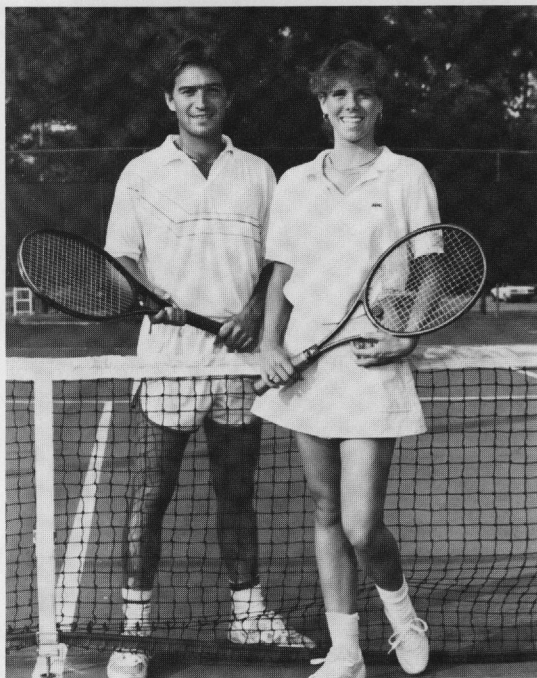

The 1986 spikers are: Debbie Seykora, Andrea Rogers, Kristen Shea, Melissa Stanley, Shannon Terry, Jenjer Vick, Sherry Williams, Amy Barr, Kim Bridges, Jenny Carroll, Kim Dupree, Lisa Leisten, Lori Powell, Melissa Pruden.

Lady Netters Roll Through Unbeaten Year

The Rampant girls' tennis team rampaged through an unbeaten campaign in 1986. Led by the play of senior Kelly Wall, the team breezed through the season without being severely tested. The Rampants had the advantage of experience over their opponents since many of the team members were upperclassmen. After completing an undefeated year and capturing the Big East championship, the Rampants sent two doubles teams to the sectional playoffs. Both Rose teams, Kelly Wall-Wendy Simpson and Gina Parrott-Wandria Hines, advanced to the sectional finals. Both Rose teams qualified for the state playoffs where each was eliminated in the second round of competition.

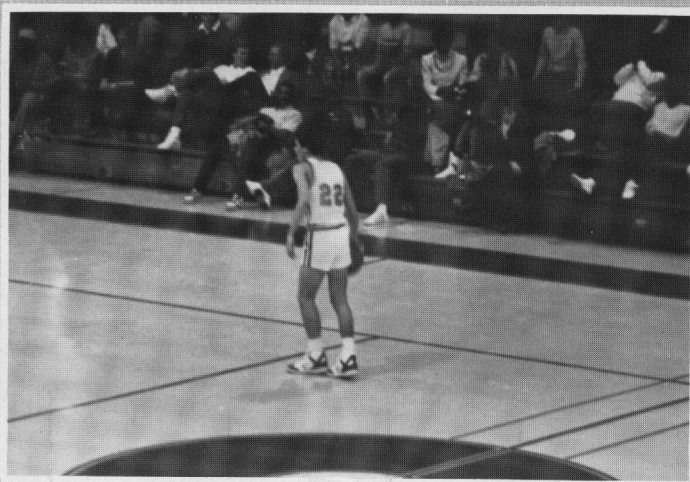

The members of the tennis team are: (seated) Catharine Taft, Cammie Smith, Kelly Wall, Jennifer Bullcock, Wendy Simpson, Jenny Jones, and Kristen Daugherty. (standing) Coach Ted Lepper, Nicole Maxon, Gina Parrott, Anji Kataria, Kathryn Ellen, Nicole Lanier, Cathy Park, and Karen Williamson. (Not pictured) Kim Williams and Wandria Hines.

BREW

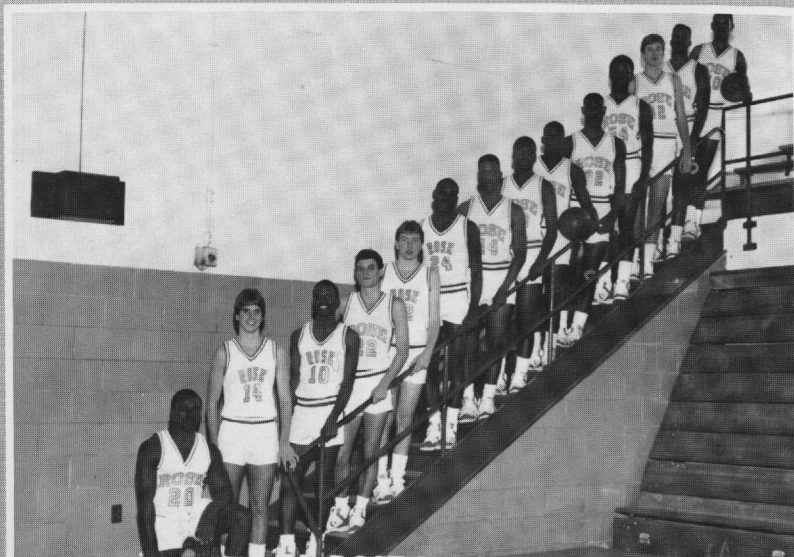

The 1986-1987 Boys Varsity Basketball Team has 17-2 record as of the Kinston game. The Rampants have had one of the most successful seasons in the last decade. The Rampants defeated D.H. Conley to win the Holiday Classic Tournament.

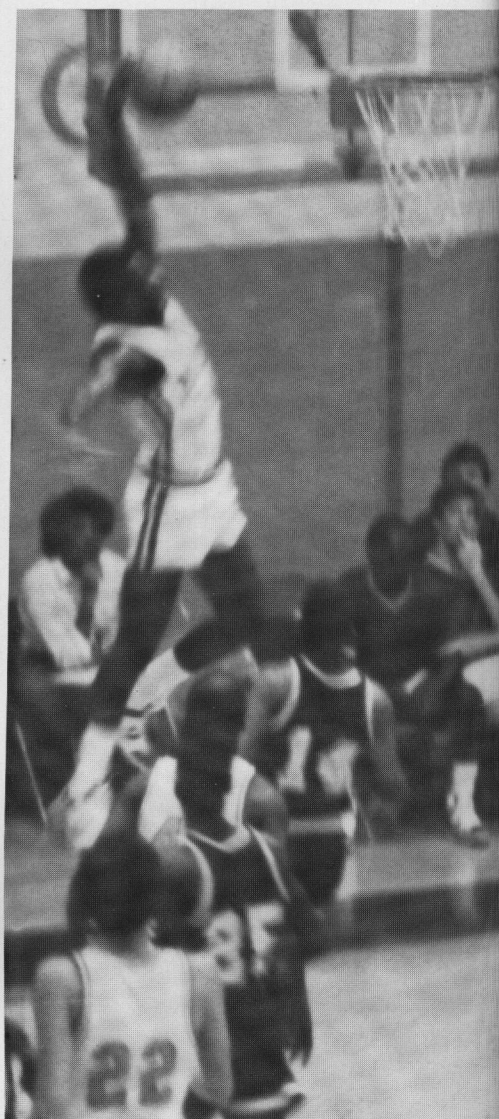

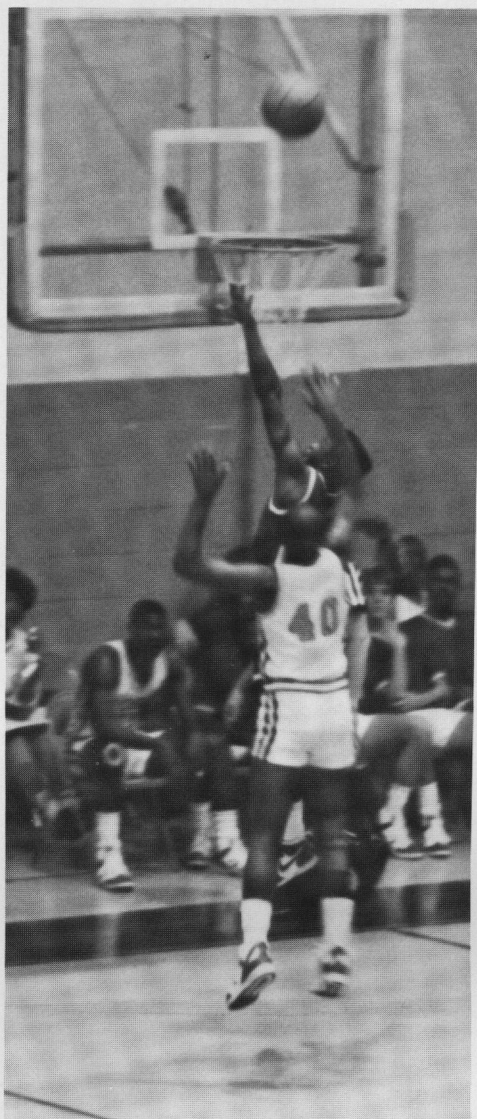

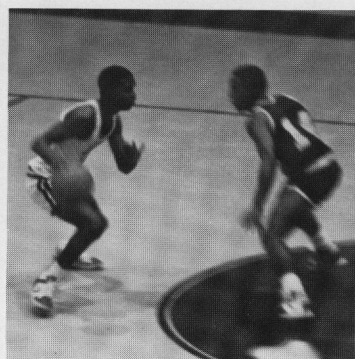

The Rampants also have been undefeated in Big East Conference competition. With three conference games remaining, the Rampants need only victory to clinch their first conference championship in over twenty six years. The team is led by the four seniors Melvin Jenkins, Terry Warren, David Lee, and Curtis Perkins. The rest of the team members are Keyford Langley, Errol Wooten, Brian Wille, Bill Taft, Chris Austin, Kevin Cobb, Andy Johnson, Stacey Best, and, Johnny Ebron.

The J.V. Basketball team has worked extremely hard to achieve major improvement. They have overcome a slow start and are now second in the tough Big East Conference.

The team has had six overtime games, two of which were in double overtime and one which was in triple overtime. They won five of these close games. Coach Leich said "The key to the J.V. team is working on fundamentals and defense. This will enable many of them to earn a spot on the varsity roster next year." Coach Leich was also quoted as saying "All fifteen players have improved and matured a great deal, as they have made the adjustment to high school basketball."

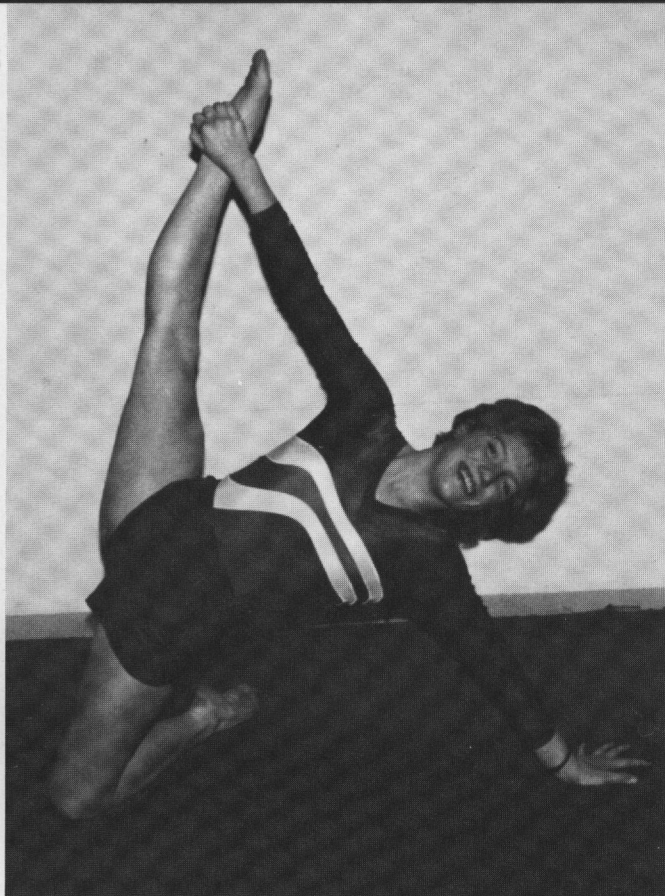

Rampettes On A Roll

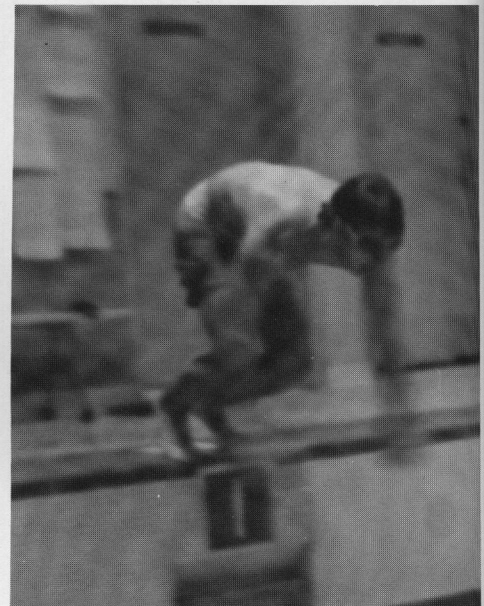

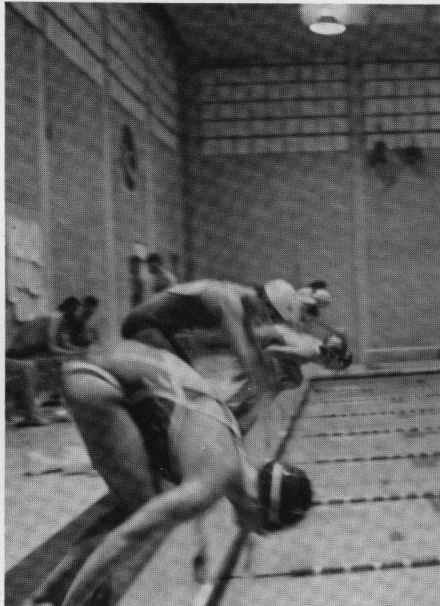

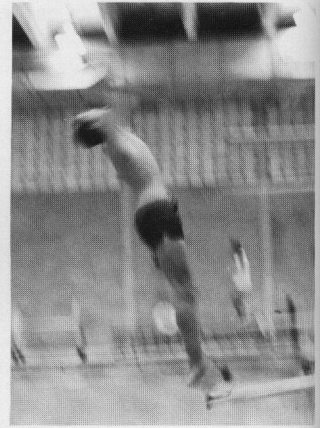

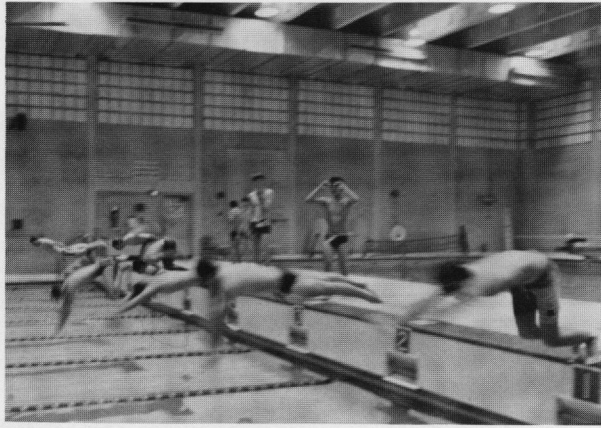

The Rampettes got off to a fast start in 1986, carrying an undefeated conference slate into 1987 and taking a solid hold of first place in the conference standings. Their 15-2 start was good enough to carry them to a Number 3 ranking among all the teams in Eastern N.C. Led by the plays of Kim Dupree, Rose swept through the first half of the conference slate without dropping a single game. Their play continues to improve and Big East championship hopes are very high.

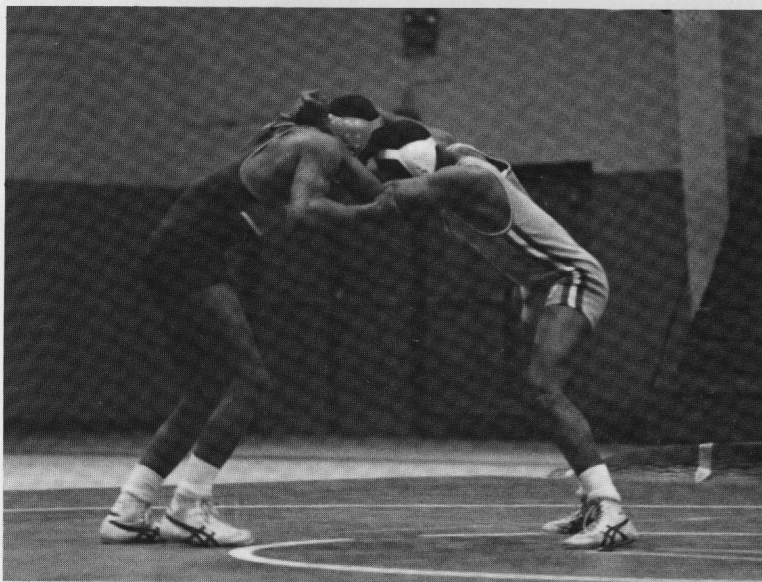

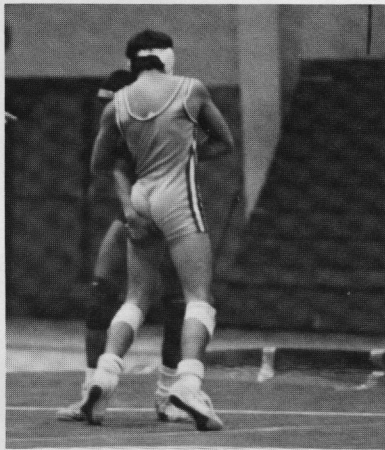

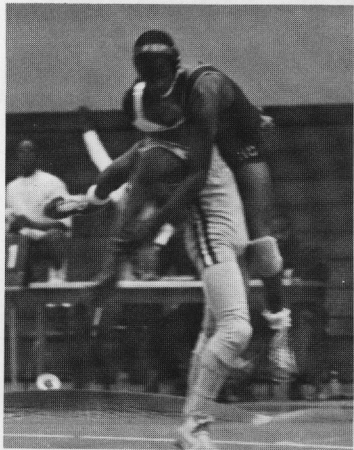

Tumblers Soar To New Heights

Swimmers Drown Opponents

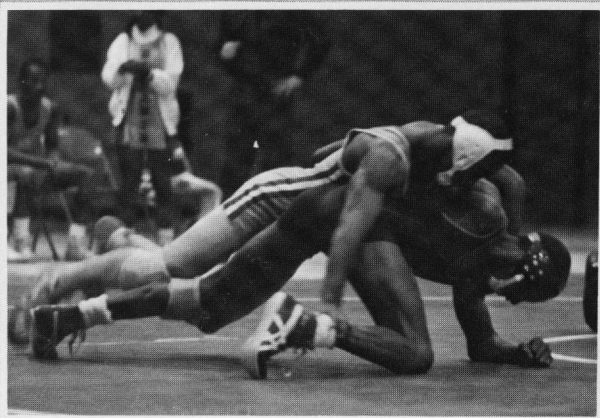

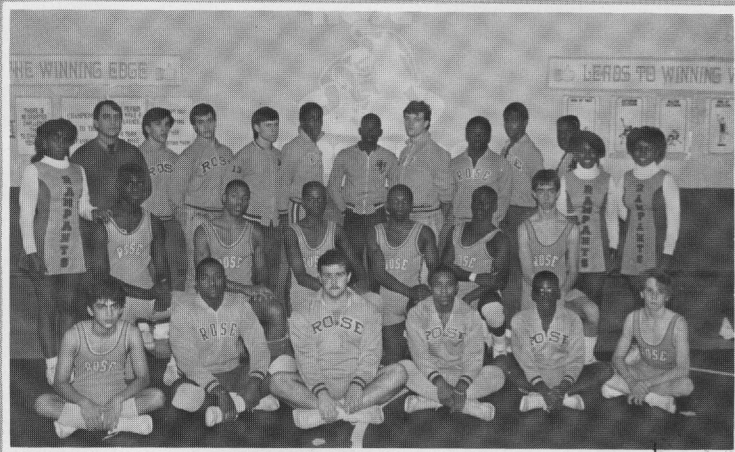

Wrestlers Throw Down

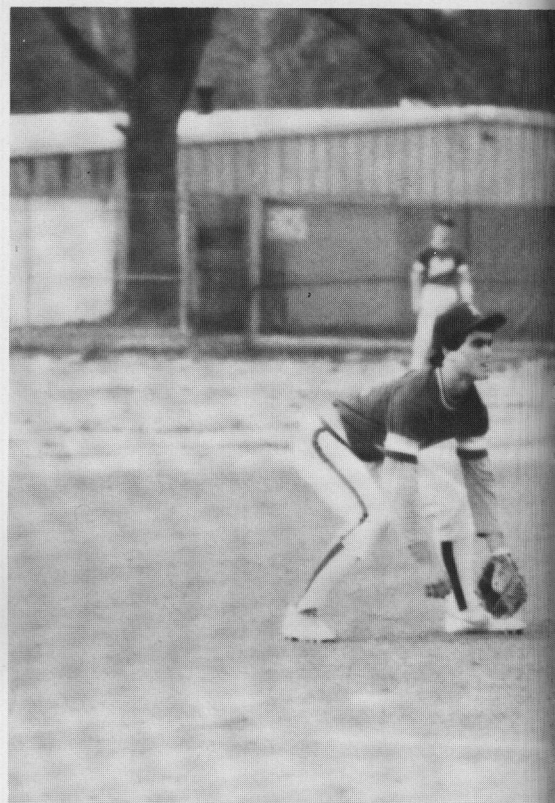

The wrestling team had a much better season and more people compared to last year. The number of people trying out grew from 17 to 47. Coach McCauley said how he really admired and appreciated the returning leadership of the senior captains, Robby Fulford and Mike Barnhill, and of the junior captain, Tony Evans. The team was very deep with a lot of people in most of the weight classes leaving only the lower classes vacant. Among the outstanding members include Mike Barnhill, with a record of 8-0; Bobby Hardy, who wrestled for the first time this year, 4-3; Mike House, 7-1; Adrian Barnhill, 6-2; and Mike Taylor, the returning conference champion, 8-0. They are now ranked second in the conference. Although their nonconference record is 2-7, the scores were much better than last year. Coach McCauley commented, "Last year we were getting killed, while this year the scores were closer." The wrestlers will soon be competing in the conference tournament to capture the championship. The team is young and has 20 people returning, and an even better season is hoped for.

Baseball: A Winning

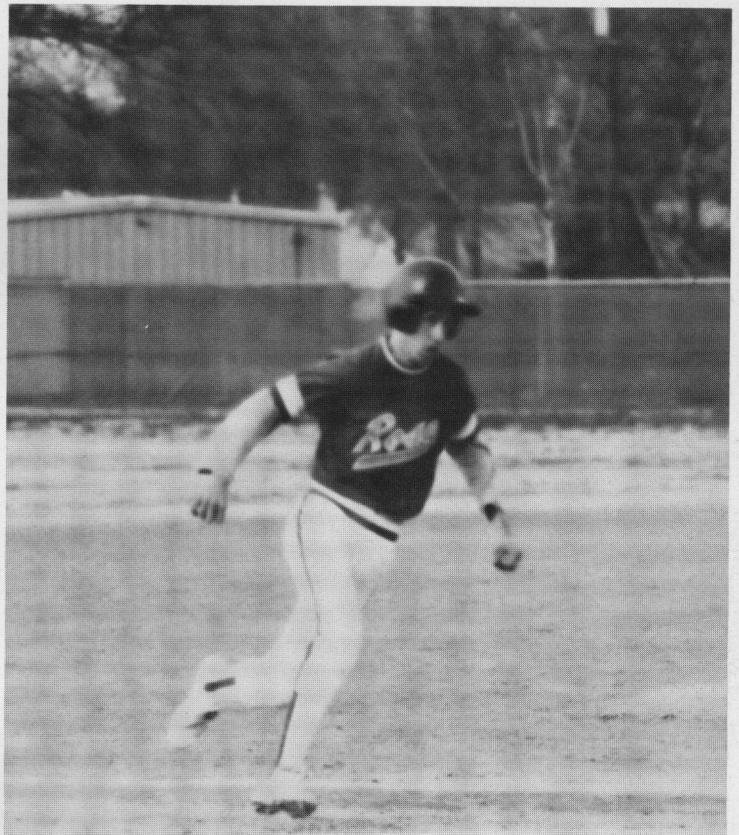

Coach Vincent was very pleased with the 1986 baseball. He hopes the skill will continue to improve in the 1987 season. The further the Rampants got into the season the better they performed. Coach Vincent saw a great deal of improvement in the season as they won ten of their last eleven games. The team had a very successful record of 17 wins and 6 losses. The team tied for the conference championship and made it to the state tournament but was defeated by Wilmington Hoggard 9-3. During the Easter Tournament Rose lost to D.H. Conley High School 7-3, but came back to romp over Kinston High School 17-0. Coach Vincent recognizes the following Seniors for their excellence in supporting the team and their leadership: Eric Jarmon, Lee Lewis, Travis King, Robbie Ehrmann, Tyrone Jones, Carl Wille, and George Saad. All-Conference from the 1986 team were Eric Jarmon, Tyrone Jones, and junior David Daniels. Returning starters for the 1987 season are: Axel Smith, David Daniels, Hunter Clark, Greg Jones, Scott Davis, Jason Galloway, Robbie McDonald, and Curtis Perkins.

Rose Softball Season: A Real Gem

The 1986 edition of the Rose High Softball team smashed all previous records last year as they streaked to a remarkable 17-3 mark, the best team mark in history. The team was nearly unstoppable during the season, and won 10 games in succession through the middle of the season. When asked about his team's success, Coach Bill Kuykendall said, "Our team was not the most talented team in the league, but we tied for first place because the girls were willing to work a little harder than the other teams. I was extremely proud of them." The team clinched a share of the Big East Championship in a 22-4 romp over Northeastern in the last game of the regular season. The Rampants advanced to the second round of the playoffs with a shutout victory over Wilmington, before ending the season with a 9-1 loss to Fike.

Girls Have New Kick

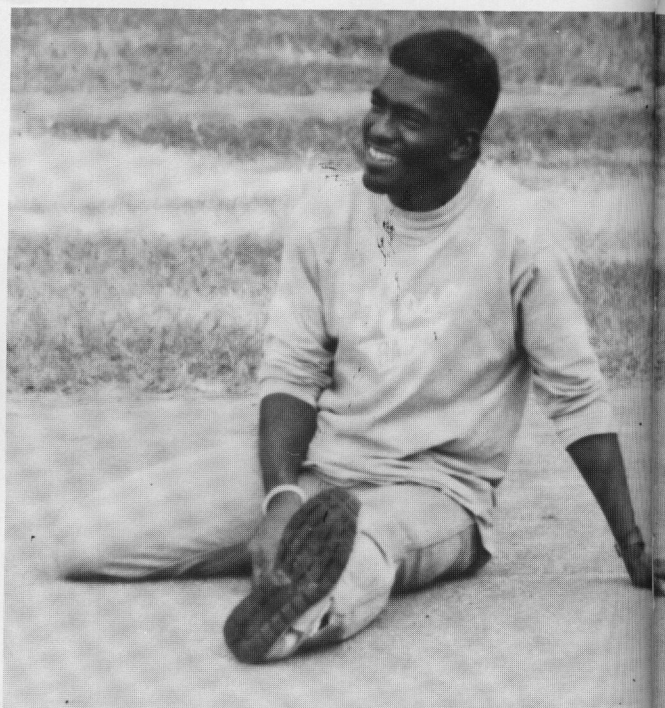

In the last few years soccer has become an increasingly popular sport. One of the highlights of spring sports at Rose High School is girls' soccer. Last spring the girls' soccer team had a very successful season. Walt McCauley, the coach, expressed his enthusiasm for the girls' game by saying: "From 3-6 the first year to 6-3-1 last year is what I'd call a substantial improvement. With three of the team's top four scorers being sophomores, I think we can be optimistic about our future. We missed the playoffs by one goal. Next year there will be no excuses." For the first time in their history, players from Rose made All-Conference. They were Chris Holec — goalie, Susan Johnston — sweeper, Kathy Kinley — fullback, and Anita Goodman — halfback. The MVP award went to both Chris Holec and Kathy Kinley, and Kathy Park was the most improved player.

Rampants . . .

The racing Rampants, coached by Bud Phillips and James Rankins, completed the 1985-86 season second in the Big East conference. The team finished the season 7-1 in the conference and 8-2 overall. Coach Phillips enthusiastically commented: "We are looking forward to a high finish this spring" and was proud to say "the nucleus of the team will be returning for this spring's season. A number of the Rampants, including Jody Anderson, Tony Evans, L.C. Atkinson, Anthony Cobb, Pete Grice, Martin Norville, William Smith, and Brian Walsh, made the All-Conference team.

The members of the 1985-86 track team are: L.C. ... Make Tracks

The Rose girls captured the Big East Conference tournament to end the regular season. The championship was the second in the past three years. The Rampetts totaled 150 points, Wilson Fike 108½, Wilson Hunt 48, Beddingfield 41, Northern Nash 19 and Rocky Mount 10. The following members of the team made the All-Conference team: Pam Smith, Kim Dupree, Karen Dixon, Erica Hill, Amy Moore, Renee Fields, Michele Fields, Lisa Pagel, Gwen Barnes, Bella Kang. Karen Dixon and Kim Dupree both advanced from regionals to the state finals. Karen finished second in the state in the triple jump while Kim finished fifth in the same event.

Coach Dennis Gibson is pleased as he comments "The nucleus of the team including Dixon and Dupree will be returning in the spring of 1987. We should be improved if all of the seniors show leadership.

Track members pictured are: (seated, front row) Kim Aichinger, Elizabeth Warren, Leigh Caldwell, Michelle Hunt, Bella Kang, Amy Moore, Jennifer Ramsdell. Par For The Course

Rose won the conference championship for the third straight year with a score of 297. Also Rose placed a conference record number of five golfers on the all-conference team. They were: David Lee, Simon Moye, Greg Hallow, Mike Herrin, and Derick Daniel. This was David Lee's third year to make all-conference and Simon Moye's second year.

Rose also won the sectionals for the third straight year with a score of 321. Rose ended the season with a fifth place finish in the State Tournament with a score of 323. The golfers season record was 36 wins and 2 losses.

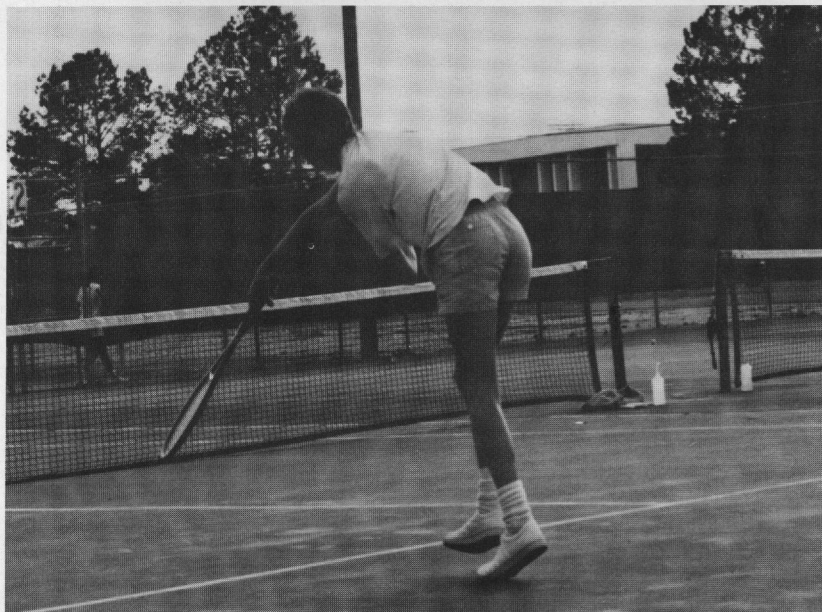

Members of the golf team are as follows, from left to right: Mike Herrin, Greg Hallow, Coach Boyd Lee, David Lee, Mitch Mitchum. Not pictured, Bernie Kott, Derick Daniel, Simon Moye, Britt Irwin, Charlie White.

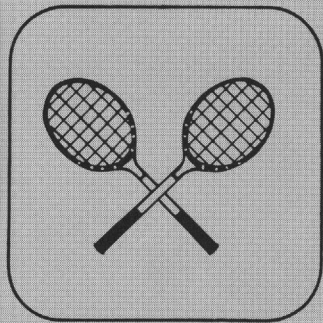

Rose Netters Smashed But Still Standing

The J.H. Rose boys' tennis team suffered through a disappointing 2-11 campaign in 1986. Team members cited the quality of the opposition and their own failure to improve as major reasons for their troubles. Despite the record, there were some bright spots for the Rampants. The team swept both their games with Wilson Beddingfield and four Rose players advanced to sectional play. Doubles players Peter Rivera and Ben Harrison were defeated in the first round in a toughly contested 2-6, 2-6 match. David Giordano and Lee Ball both advanced into the second round before being defeated. Throughout the season, the team maintained a "never-say-die" attitude. That in itself offers hope for a bright future in 1987.

it can be done

Somebody said that it couldn't be done, but he with a chuckle replied, that "maybe it couldn't" but he would be one who wouldn't say so till he tried. So he buckled right in with the trace of a grin on his face. If he worried, he hid it. He started to sing as he tackled the thing that couldn't be done, and he did it. Somebody scoffed: "Oh, you'll never do that, at least no one ever has done it." But he took off his coat and took off his hat and the first thing he knew he'd begun it. With the lift of a chin and a bit of a grin, if any doubt rose he forbid it;

he started to sing as he tackled the thing that couldn't be done, and he did it. There are thousands to tell you it cannot be done; there are thousands to prophesy failure; there are thousands to point out to you, one by one, the dangers that wait to assail you, but just buckle right in with a bit of a grin, then take off your coat and go to it. Just start in to sing as you tackle the thing that cannot be done, and you'll do it.
